## Tank-Led U.N. Column Drives Nine Miles North Of Wonju

### JET PILOTS SHOOT DOWN ENEMY PLANES

AIRBASE, KOREA—Capt. William Slaughter, Lexington, Ky., and Capt. Alan McGuire, Clarksville, Texas, F-84 jet pilots congratulate each other after both shot down a MIG-15 in a wild dog fight over Sinuiju Tuesday.

### Bomber Crew Forced Down Behind Red Lines Rescued

U. S. FIFTH AIR FORCE HEADQUARTERS, Korea, Jan. 24.—(INS)—A Fifth Air Force B-26 bomber made an emergency landing today on the Suwon airstrip in Korean territory nominally held by Communist forces, 23 miles south of Red-occupied Seoul.

The crewmen were rescued without incident less than a half hour later by helicopters of the 23rd Rescue Squadron.

The pilot, Capt. Paul Daly of Santa Maria, Cal., was unable to fly the bomber back to base after one engine conked out and the second began losing power.

He radioed his intention to land at Suwon to the tactical control party with the 25th American Division.

Controller Capt. David Brown of Houston, Tex., relayed the call to the 23rd Rescue Squadron whose helicopters flew to Suwon under cover of two Marine Corps fighters and a T-6 spotter.

An hour after sending their

### PA NEWS OBSERVES

Edward Pivovar, of 912 Oak street, brought into The News this morning two strange looking eggs produced by his Plymouth Rock hen. One of the eggs bore a perfect six on the shell formation on one end and the second egg laid a day later by the same hen bore a seven.

With Easter but two months from Thursday as far as the calendar goes, local stores are wondering whether to feature light spring outfits or to present heavier articles of wear. It is hoped that the winter will be mostly spent by that time and spring weather under way.

Although business is brisk at the local Department of Internal Revenue office in the Post Office building, many residents are again putting off the problem of filing their forms until the eleventh hour. Those taking advantage of the time now, find that clerks are able to give them more advice and time at present while later on their time will be limited due to the press of duties.

### BODY IDENTIFIED

HARRISBURG, Jan. 24.—(INS)—The body of a woman found floating in the Susquehanna river at Harrisburg was identified today as Mrs. Hetty Hicks Davis, 55, of Harrisburg.

Coroner S. J. Roberts declared the death suicide by drowning. He said her body had not been in the water long before it was found yesterday.

Police said she was the wife of retired state police Cpl. Albert Davis, a guard at Dauphin county prison.

### Advance Of Nine Miles Is Made To Hoengsong

U.N. Forces Now Within 38 Miles Of 38th Parallel

By HOWARD HANDLEMAN  
(Far Eastern Director, I. N. S.)

TOKYO, Jan. 25.—(Thursday)—A tank-led United Nations column, pushing nine miles north from the central hub of Wonju, smashed into Hoengsong late Wednesday to within 35 miles below South Korea's 38th Parallel border.

The swift penetration into enemy territory represented the farthest northward advance by UN forces since the fall of Seoul, the Korean national capital, to the Communist invaders.

In a dispatch received direct from the central front shortly before midnight Wednesday (10 a.m. EST), International News Service War Correspondent Irwin Tress said the UN armored patrol column encountered enemy troops twice in their drive up from Wonju. The Reds were dispersed in "fierce fights."

A few hours earlier, Tress had reported that the Allied task force had reached within a mile south of Hoengsong, which is nine miles above Wonju and 53 miles east of Seoul.

### Reoccupy Yongwol

Thirty-one miles southeast of pivotal Wonju, American troops completed their reoccupation of Yongwol after crushing the last remnants of Red resistance in 24 hours of street combat in that town's mining center.

However, Chinese and North Korean Red troops rammed into the five-way road junction of Ichon, 31 miles southeast of Seoul, in a move to cut the vital lateral highway leading west from Wonju. Along the west wing of the front, tank-tipped U. S. Eighth Army patrols swept north beyond

### North Koreans Expect Forces Of U.N. To Win

By ROBERT SCHAKNE  
(I. N. S. Staff Correspondent)

ON THE CENTRAL FRONT, Korea, Jan. 24.—A captured North Korean sergeant said today most of his countrymen believe United Nations forces eventually will win the Korean war by sheer fire power.

Sgt. Kim Yong Chan, 22, said he and his comrades feel the communist "human sea" tactics must fail in the long run in the face of formidable allied air and artillery fire.

Kim was captured by an American patrol as he wandered through a dawn fog in no man's land. A Korean interpreter with the patrol shouted:

"We are North Koreans. Come on over."

Kim did and was captured. But the North Korean sergeant said he felt happy about it because as soon as the fog lifted United Nations fighter aircraft came over and dropped napalm bombs on the remainder of his company.

Kim said the constant fear of air attack and shelling plays on the nerves of North Korean troops.

### Half Million Dollar Loss In Plant Fire At Richmond, Ind.

RICHMOND, Ind., Jan. 24.—(INS)—Flames fed by explosive acetylene and butane gas burned early today in the gutted shell of a block square Richmond steel fabricating and salvage plant and firemen said the blaze may continue another two days before it dies.

Danger that additional supplies of bottled gas stored in the Sam Jaffe plant will be touched off prevented firemen from entering the ruins.

For more than an hour the fire threatened to reach thousands of gallons of gasoline in a nearby Standard Oil bulk plant. The blaze also threatened a nearby Pennsylvania railroad depot and two coal yards before it was controlled.

Damage was estimated at \$500,000. No one was reported injured.

### Gets T.V. Award

HOLLYWOOD—The 3rd Annual Television Academy of Arts and Sciences "Emmy" awards were presented here with Groucho Marx being named television's "Outstanding Personality" of the year. Here he takes Rosemary LaPlanche, "Miss Emmy," along with him as well as the statue, claiming the former Miss America goes with the award.

Alan Young and Gertrude Berg were named the outstanding actor and actress of the TV screen for 1950.

### Early Action On Wage And Price Controls Seen

By CHARLES B. SEIB  
(I. N. S. Staff Correspondent)

WASHINGTON, Jan. 24.—Quick action on wage-price controls, possibly this week, is indicated today as two government officials, one to the capital to report on the administration's anti-inflation program.

The congressional economic committee called price stabilizer Michael V. DiSalle and wage director Cyrus S. Chang to testify today, and promised to ask them when wage-price curbs can be imposed.

The possibility of a speedy decision was seen after DiSalle filled key jobs in seven newly-created commodity divisions late Tuesday to lay the groundwork for the administration of controls.

### Prime Minister Of France Will Make Visit To Canada

OTTAWA, Jan. 24.—(INS)—Prime Minister Rene Pleven of France will visit Ottawa February 2 and 3 following his conference in Washington with President Truman.

A government announcement today said he will confer with Canadian officials while in the capital. President Vincent Aubol of France is scheduled to visit Ottawa in April.

### European Allies Make Promise Of 25 Divisions

Such Is Expected To Be Report Made By Gen. Eisenhower

By KINGSBURY SMITH  
(European General Manager, I. N. S.)  
(Copyright, 1951, by I. N. S.)

PARIS, Jan. 24.—General Dwight D. Eisenhower, supreme commander of the North Atlantic Treaty forces, will report to President Truman this week that the European Allies have promised to place at his disposal a total of about 25 divisions by the end of this year.

Conditional Promise

"Ike" will add in his report that this promise is a conditional one, dependent chiefly upon acceleration of American military aid to Europe.

Coupled with American forces already in Germany, or scheduled to be sent there during 1951, this will give General Eisenhower less than 30 divisions by the end of this year to face the 100 Soviet and 40 satellite divisions which Russia is estimated to have available in Europe.

The supreme commander's willingness to proceed with such a small force as the first year foundation for an Atlantic alliance army in Europe is based on his assumption that Russia will not attack Western Europe in 1951.

To Seek 50 Divisions

He is, in fact, gambling on the hope that there will be no Russian attack during the next couple of years while he builds up in Western Europe a combined force of more than 50 divisions to discourage aggression.

Information gathered while accompanying General Eisenhower in the course of his exploratory trip to the European Allied capitals enables this correspondent to

### Charges Truman Seeks To Evade Senate Probe

By GLENN M. GREEN  
(I. N. S. Staff Correspondent)

WASHINGTON, Jan. 24.—Sen. Ferguson (R) Mich., charged today that President Truman named a commission on internal security and civil liberties in an effort to undermine a senate investigation of subversive activities.

Ferguson is a member of a senate judiciary subcommittee which will begin an investigation shortly into all phases of the McCarron communist control act.

### Takes Sharp Issue

The senator took sharp issue with the president's appointment of a nine-member, non-partisan group, headed by retired fleet admiral Chester V. Nimitz, commander-in-chief of the Pacific fleet in World War II.

The commission was directed to make a long-range study of the government's loyalty and security programs. "It will have 'complete' access to FBI files and other secret information."

Ferguson said the president's action is "an endeavor to satisfy

### U.S. Troops Aid Hangs On Europeans Will To Fight

By WILLIAM THEIS  
(I. N. S. Staff Correspondent)

WASHINGTON, Jan. 24.—The two Senate chairmen shaping policy on the "troops to Europe" issue called today for an all out effort to stop Russia in Europe if the Europeans show the will to fight.

Sen. Russell (D) Ga., chairman of the armed services committee, said that good faith and the will to fight are the "two important elements" involved.

Russell implied opposition to a ceiling on troop commitments but said he had an open mind on a possible "ratio" commitment.

Sen. Connally (D) Tex., chairman of the foreign relations committee, warned flatly that a ceiling on the number of American troops to be sent to western Europe would "discourage Europe and encourage Stalin to strike."

### Favors Declaration

Connally favors an affirmative declaration by the Senate approving the dispatch of additional U. S. ground forces to Europe, conditioned upon Allied self-help.

Russell's statement was significant for the fact that his committee and Connally's will jointly

### Dulles' Plane Meets Delay

(BULLETIN)

TOKYO, Jan. 24.—(INS)—Gen. Douglas MacArthur's headquarters announced today the plane carrying the John Foster Dulles peace treaty mission to Japan developed engine trouble and turned back to a west coast airfield in the United States.

Headquarters set early Friday as the new expected arrival time of Dulles and his party.

(At Tacoma, Wash., air force authorities said the plane paused briefly at McChord field yesterday before taking off for California on the last North American leg of the flight from Washington to Tokyo.)

(They expressed belief the aircraft had returned to the California field from which it had taken off by a secret route.)

(At Burbank, Calif., base operations officers of the Lockheed air terminal reported the military plane carrying Ambassador Dulles and his group had landed at the Burbank airport at 8:30 p. m. (EST) Tuesday and had taken off at 11:35 p. m.)

### Showdown On China Is Near In U.N. Sessions

Arab-Asian Bloc Seeks To Delay Naming Aggressor

(BULLETIN)

LAKE SUCCESS, N. Y., Jan. 24.—(INS)—France and New Zealand swung today to support of the U. S. resolution condemning Red China as an aggressor. This leaves Britain and Canada among the commonwealth nations solidly lined up with India's slow-grip policy.

Australia is likely to join the U. S. in voting for the American resolution. On Monday, Australian abstained on the 48-hour adjournment asked by India and approved by the political committee.

By PIERRE J. HUSS  
(I. N. S. Staff Correspondent)

LAKE SUCCESS, N. Y., Jan. 24.—The Arab-Asian bloc plans to present to the U. N. today a "middle-of-the-road" program for settlement of the Korean War while seeking to defer action on the United States resolution condemning Communist China as an aggressor.

Warren R. Austin, chief U. S. delegate, drafted a forceful statement of American views on the 12-nation bloc's intentions toward the Peiping regime and the Chinese "bail" for further delays.

The U. N. political committee met at 3 p. m. EST after a 48-hour recess asked by India, leader of the Arab-Asian bloc, and the Americans will press for action on their resolution. U. S. sources said a vote is probable by Saturday.

### Start of Showdown

This afternoon's session represents the start of a showdown in the U. N. over Communist China's intervention in Korea. High level conferences took place yesterday

(BULLETIN)

LAKE SUCCESS, N. Y., Jan. 24.—(INS)—Reliable sources said today Communist China has sent a new communication "of great importance" to Prime Minister Nehru of India on the question of peace.

Presumably, Nehru will relay it to the United Nations.

in western capitals and in New York in an effort to bridge the gap in attitudes between the United States and Britain.

The U. S. Senate yesterday unanimously called on the U. N. to reject Communist China's demand for membership and to condemn the Far Eastern state as an aggressor. But in London Prime Minister Attlee told Commons that although Britain is prepared to condemn China, it is not ready to consider sanctions.

Predictions are that in the showdown the British will line up with America in voting for branding Communist China an aggressor, but it is doubted whether the U. S. resolution will stand entirely unchanged. At present its most disputed provision calls for the study of punitive steps by members of the 14-nation collective measures committee.

A barrier to speedy action on

The room would look better, she said with a smile, with a coat of fresh paint, but first chink the cracks and the holes in the wood so it makes it look something it ain't. It won't take you long, with the same little smile or maybe you'd call it a smirk, it's easy to do in an hour or so, you hardly could say it was work. So I fell for the line and the shortness of time, and the painting is now on the way, but as for it not being work, that's a laugh, it's a dark 36 today.

## Report Russia Halts Exports To Czechoslovakia

LONDON, Jan. 24 — (INS) — A Stockholm dispatch to the London Daily Mail reported today that Russia has abruptly halted metal and grain exports to Czechoslovakia.

The Soviet action was said to have resulted in immediate unemployment and food shortages in Czechoslovakia which reportedly has fallen out of step with Moscow dictators.

There have been rumors of "Titoistic" feelings spreading among Czech Communists, along with sabotage by workers which has endangered Czech economic planning.

**Rumors of Split**  
There have been further rumors of a split within the Communist-dominated Czech government, with President Klement Gottwald has fallen in disfavor with Moscow.

Other accounts from the continent say that the Russians, jittery over growing opposition to Czechoslovakia, are preparing to keep the satellite nation within the fold.

Western sources said an indication of this was the recent sudden appearance of Soviet Marshal Ivan Konev in Czechoslovakia. He has established headquarters at Karlovy Vary, apparently planning to whip the Czechs back into line.

In addition the Soviets reportedly have sent an infantry division to the province of Slovakia where peasant revolts are becoming almost commonplace.

## John Bobula Is Discovered Dead

John Bobula, aged about 69 years, who resided on the property of the Zambelli Fireworks Company, R.D. 2, English avenue, was found dead in a shack in which he resided there about 8:30 o'clock this morning by Joseph Zambelli, Corner Charles E. Allen, who was notified, stated that Mr. Bobula had evidently been dead since last evening.

Mr. Bobula came here from Czechoslovakia in the fall of 1920, and had resided here since then. A nephew, Stephen Bobula, his only relative in this country, died last June, it is stated.

Mr. Bobula was burned in an explosion last summer at the Zambelli fireworks plant, and was hospitalized for some time because of these injuries. His body was removed to the Noga funeral home.

make the following predictions concerning "Ike's" report to the president.

He will state that the French government promised him 10 divisions by the end of 1951, five of which will be made available to him in Western Germany and the balance held in reserve in France at his disposal.

He will report, however, that the French officials emphasized their ability to organize these divisions is dependent upon the accelerated delivery of American military equipment, especially tanks and armored vehicles.

He will, further, inform the chief executive that French leaders, from President Vincent Auriol on down, all assured him that France is ready to play its full part in organizing the defense of Western Europe, but that it would like to see the first line of defense established on the Elbe river rather than the Rhine river.

the people by having a commission appointed, instead of letting congress do the job.

The senator challenged the group to make "all the facts available to congress so that the lawmakers can act 'intelligently' on anti-subversive legislation.

Ferguson added: "Since 1946, congress has had to act in the dark. I can't understand why a congress elected by the people can't get the facts."

The senator's reference was to Mr. Truman's denial of FBI files to congressional committees without his consent.

## ADVANCE OF NINE MILES TO HOENGSONG

(Continued from Page One)

Suwon, 23 miles south of the Communist-held South Korean capital of Seoul.

A water borne enemy attempt to curl around the Eight Army's west flank was crushed with destruction of 13 Red troops boats trying to cross the Ansan estuary, 41 miles below Seoul.

On the opposite side of the peninsula, UN forces battled a 1,500-troop North Korean spearhead, including a thousand amazons, seven miles south of Yongwol.

Above northwest Korea, 32 Thunderjets scored a new victory over 16 to 20 Russian-built MIG jet fighters, probably downing one and definitely damaging three of the Red interceptors.

At the same time, Superforts hammered the northeast Korean supply base of Komusan, within 400 miles of Soviet Siberia, with 400,000 pounds of bombs.

A Wednesday night dispatch by International News Service War Correspondent Irdwin Tress from the central front said a strong tank-paced UN patrol column pushed north from Wonju to within one mile south of Hoengsong.

Hoengsong, midway junction on an east-west communications artery bisecting the Korean peninsula, lies nine miles north-north-east of Wonju and 53 air miles almost due east of Seoul.

A reinforced UN mechanized battalion reentered Wonju early Wednesday for the seventh time in eight days.

The dispatch from Tress, received at 8:01 p.m. (6:01 a.m. EST), said the ensuing thrust beyond Wonju was "the farthest northward advance since the abandonment of the old Wonju bulge" later reported, the UN patrol early in January.

In a second encounter, Tress drove an enemy company off after a heavy 40-minute fight three miles south of Hoengsong. He said the UN patrol which included about 100 troops and four tanks inflicted heavy casualties on the Red soldiers.

UN troops suffered three casualties and two motorized anti-aircraft guns were damaged by enemy 51 millimeter anti-tank guns.

From INS War Correspondent Robert Schackae came word at 8:21 p.m. Wednesday (6:21 a.m. EST) that United States troops completed their reoccupation of Yongwol, 31 miles southeast of Wonju.

**SHOWDOWN ON CHINA IS NEAR IN U.N.**  
(Continued from Page One)

the U. S. resolution, aside from British and commonwealth inclination to give credence to Peiping's cease-fire bid, is the insistence of the Arab-Asia bloc for pursuing efforts at direct negotiations with the Red Chinese regime.

The group met at the House of India's Sir Benegal Rau in Manhattan last night to give final consideration to its counter-resolution proposing a seven-power conference on all Asiatic problems.

The Asia-Arab resolution asks that pressing issues like Formosa, Korea and U. N. admission for Peiping be settled by a conference of Russia, Britain, the U. S., France, Egypt, India and Communist China.

The U. S. has made it clear that it stands in opposition to Red China's entry into U. N. and that any discussions on Formosa must include Nationalist China.

The Arab-Asia group also is intent on communicating directly with Peiping for further "clarifications" on the limited truce bid. Foreign Minister Carlos P. Romulo of the Philippines has demanded that produce the text of the Peiping communication, pointing out that any messages while Red China has for U. N. should be sent direct to Lake Success.

The first meeting of the Eliza Winans McBride Tent 20 of the D. U. V. was held in the East Washington street hall Tuesday evening and the installation of officers took place. Initiation of new members was also held. Mrs. Martha Fox was the installing officer.

Those installed were: president, Ethel Dibley; senior vice-president, Anna Frazier; junior vice-president, Sara Wright; chaplain, Harriet Hedrick; treasurer, Rose Tripp; secretary, Pearl Cook; council members, Rebecca McKissick, Alice Jackson, and Bessie Linton; patriotic instructor, Gladys Mayers; press reporter and musician, Pearl Reed; guide, Martha Fox; guard, Minnie Mayers, and assistant guard, Edith Stafford.

Mrs. Rebecca McKissick was presented with a past president's pin. Special guest present was Myrtle Huntsberger, of Grove City Tent 25.

February 27 is the next meeting with the new officers to be in charge.

**DEGREE STAFF AT FISHER HOME**  
Degree staff of Rachel Rebekah lodge 40 was received at the home of Mrs. Cora Fisher, 118 Richelieu avenue, with Mrs. Viola Nelson as co-hostess.

Devotional was in charge of Mrs. Anna Hawk. At the business session, committees were appointed for the ensuing year.

Games were later enjoyed with prizes being won by Mrs. Sara McCormick, Mrs. Jane Smith, Mrs. Helen Gordon and Mrs. Margaret Brooks.

Lunch was served by the hostess, assisted by Joan Fisher. Mrs. Mattie Scott was a special guest.

The next meeting of the staff members will be held on February 16 at the home of Mrs. Margaret Brooks, 143 East Wallace avenue.

**L.C.B.A. BRANCH TO HAVE ELECTION**  
Members of the L.C.B.A. Branch No. 467, of St. Joseph's church, will have their annual election of officers, Thursday evening at 8 o'clock, in the meeting rooms of the church.

Activities of the year will be discussed and planned at this time. Members of the L.C.B.A. Sewing Group are to bring along all finished material for the layettes.

After the business meeting, an informal social time will be enjoyed. Hostesses will be: Mrs. Mary Brown, Mrs. Amelia Costello, Mrs. Frances Colao, Mrs. Frances Donnelly, and Mrs. Marie Jones.

**Officers Club Meets**  
The Officers' club, a newly formed organization, met Monday evening at a local dining room for their first meeting. A general election was held, with the following officers chosen: Dorothy Augustine, president; Betty Yachym, vice president; Lillian Saros, secretary, and Sara Joseph, treasurer.

During the brief business meeting the amount of dues was decided upon. It was suggested that the members visit New York City sometime during the summer. Betty Yachym suggested that plans be made for a dinner at a New Wilmington dining room in the near future.

A pajama party will be held at the home of the president, Dorothy Augustine, Boyles avenue, February 3.

The next meeting will be held February 5, with the place to be announced.

Many mysterious changes take place in your body as you mature. Now, the glands under your arms begin to secrete daily a new substance which will - if they reach your dress - cause it to stain and cling odor. You'll face this problem throughout womanhood. It's not enough merely to stop the odor of this perspiration. You must now use a deodorant that stops the perspiration itself before it reaches - and ruins - your clothes.

As doctors know, not all deodorants stop both perspiration and odor. But Arrid does! It's been proved that the new cream deodorant Arrid stops underarm perspiration in 1 to 3 days safely - keeps underarms dry and sweet.

Remember this, too: Arrid's antiseptic action kills odor on contact - prevents formation of odor up to 48 hours and keeps you "showers-bath" fresh. And it's safe for skin - safe for fabrics.

So, don't be half-safe. Don't risk your happiness with half-safe deodorants. Be Arrid-safe! Use Arrid to be sure. Arrid with Creamogen will not dry out, and it's so pleasant and easy to apply. Get Arrid today.

## "I GET WONDERFUL RELIEF NOW FROM HOT FLUSHES"

and urge every woman 35 to 52 years old who suffers this distress to try Lydia Pinkham's Vegetable Compound

"I had heard so many stories about the functional middle-age period peculiar to women—I hoped I'd escape such symptoms. But I didn't. I found myself terribly embarrassed by hot flushes—I suffered such restless nights, and I could sense myself getting irritable and cranky—due to this cause.

"My druggist recommended Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. I can understand now why he called it 'the woman's friend.' Pinkham's Compound gives me amazing relief. I find if I take it regularly—not miss a day—it helps build up resistance against such middle-age distress."

P. S. Pinkham's Compound is very tasty in a little fruit juice. Or you may prefer Lydia Pinkham's TABLETS with added iron. Handy to carry in your purse.

### 1,000 U. S. JOBHOLDERS A DAY

The Joint Committee on Reduction of Non-essential Federal Expenditures, headed by Senator Byrd, has urged Congress to put a check on the federal civilian payroll, which has been mounting at the rate of 1,000 persons a day.

The dangers of this trend are too plain to be ignored. It is a terrific drain upon the treasury. Of material additional importance is the possible reduction in the supply of workers for war industries.

The joint committee proposed that civilian employment shall not be permitted to any agency or department unless checked and approved, as a guide to Congress, by the National Security Resources Board. That body would determine if the agency or department was working in "maximum coordination with other agencies," was making "maximum utilization" of existing personnel and if its manpower requirements were "more vital to the national security than any competing demands by the armed forces, other government agencies, or industry, agriculture and professions engaged in essential production."

The proposal is opposed, however, by Secretary of the Treasury Snyder and Budget Director Frederick J. Lawton, principally on the ground that it would result in "duplications of existing controls over appropriations and personnel." Those "controls" have failed to stem the tide of 1,000 or more a day of new jobholders. The new plan, therefore, seems not only entirely in order but absolutely essential.

### TOO CLOSE FOR COMFORT

The final figures of the 1950 election, just now made public, show that 91 members of the House of Representatives won their seats by a margin of less than 5 per cent of the total vote. In eight cases the winners did not even receive an actual majority of the ballots cast but owe their success to the fact that there were more than two candidates in the contest.

This report of results not only indicates the closeness of the last election but points to the principal battle grounds of 1952. Both parties will now proceed to do the spadework for special campaign efforts in the districts of the 54 Republicans and 37 Democrats who barely made the grade last November. The representatives, if they contemplate running for reelection, will watch their steps and keep their political fences in good repair.

An awareness by 91 representatives that they were not overwhelming favorites in the last election is not conducive to a statesmanlike attitude toward public questions. The temptation to play at least a certain amount of personal politics is always present.

That is the unfortunate but inevitable aftermath of a close election. But the same could be said, with equal truth, of an election that isn't close.

### NO RATION BOOKS

The American people share the hope of Charles E. Wilson, director of defense mobilization, that consumer rationing can be postponed indefinitely. Their memories of that sort of thing—shortages, coupon books, long lines of waiting customers—are recent enough and unpleasant enough to make them shudder at the very thought of it.

So long as the international conflict remains as it is at present, tense but not punctuated by global shooting, there is no reason for contemplating restriction of the purchase of such essential household commodities as food, clothing, gasoline, fuel oil, etc.

It is true that a growing army will make larger and larger demands on the nation's agriculture and productive facilities, but it is also the fact that the country is raising more and creating more than ever before.

The waste of war makes it inevitable that there will be scarcities. In some fields they are already apparent. Building materials are in short supply. The manufacture of automobiles is being curtailed somewhat, although it is still above the best prewar figure. But there seems to be little need for consumer rationing, and its imposition would only create chaos.

### SAFEGUARDING MUSEUMS

Museums in the large cities of the country are studying the question of protecting their collections from a possible enemy attack. The New York Museum of Art has begun crating valuable objects in preparation for hiding them.

The committee of trustees of the Chicago Art Institute has been working on a defense project for some months but the institute's collection remains intact. A committee of the American Association of Museums is working on the problem of safeguarding art and other treasures.

Since the destruction of the museum in Hamburg, Germany, in the late war, the Natural History Museum of Chicago has No. 1 collections in a number of fields, according to Col. Clifford C. Gregg, director. Plans are being made to protect many irreplaceable objects in an emergency.

### Soviet Russia's Implied Threat

Soviet Russia's implied threat to abrogate her 20-year friendship treaties with Great Britain and France hangs as a shadow over Gen. Dwight D. Eisenhower's difficult rearmament mission in Europe.

The Russians take the attitude that by agreeing to and participating in the rearmament of western Europe, particularly Germany, the allied powers have violated the spirit and letter of the pact.

### Prevent West German Army

The Russian objective clearly is to prevent the creation of a West German army. The Soviets can hardly object to French and British rearmament on their own. Surely Russia and the satellite nations have set the precedent in this regard.

But Moscow has served notice that it "will not tolerate" rearmament of Germany. Ever since this warning came from the Kremlin weeks ago, political and diplomatic observers have been speculating as to how serious the Russians really were.

The Russians timed their latest not to coincide with the presence of Gen. Eisenhower in Germany on the crucial leg of his mission. Reaction of the German people to the Soviet attitude is difficult to gauge.

### Soviets Hold Advantages

There are doubtless millions of Germans who do not want to re-arm on allied terms. Many others want no part of a revived militarism, either because of Communist sympathies or because they are genuinely afraid of a Russian attack.

At the present, the Soviets hold many advantages. Gen. Eisenhower believes that at least two years must elapse before armies can be equipped

and trained to an extent giving western Europe reasonable assurance of being able to defend itself.

Thus if Russia wants to move any time within those two years she could roll to the English channel without any opposition. If the Russians really harbor such aggressive purposes, it is with knowledge they would be touching off a third world war—and an atomic one at that.

Only Deterrent Winston Churchill is one who maintains that only fear of the atomic bomb and Russia's present insufficiency in this type of weapon comprise a deterrent at the present time. He is anxious to see Europe well geared for defense and if he had his way he would storm the continent on a vigorous speaking campaign against apathy and defeatism.

Eisenhower's conversations in Germany are expected to give him the one clear clue he needs to understand European sentiment.

He is pictured as being prepared to report to Washington on a tone of "cautious optimism." But if he finds the Germans are not ready to collaborate fully, he may be compelled to moderate his stand.

One matter of importance in connection with Eisenhower's visit is what Soviet Russia will do in eastern Germany if full plans can be made for the Reich's armed participation in defense.

Has Shazable Army She already has a sizable East German army in the form of a so-called "people's police."

But it can be expected that she will answer to the allied measures. This would inevitably widen the breach between East and West Germany, possibly resulting in a more or less permanent separation that would pit German against German.

How this would affect the future of Germany and Europe is impossible to foretell.

This is one of the calculated risks inherent in any such vast undertaking as the one upon which Gen. Eisenhower has embarked.

Hope For German Unity The allies still hope to restore German unity, wipe out the artificial barriers that have been created and bring about free and unfettered elections which would enable the German people to install a Democratic government of their own choosing.

The Communists want this unity on their own terms—with withdrawal of occupational forces. This would take the United States, Great Britain and France out of the picture and leave all Germany at the mercy of the Reds.

Gen. Eisenhower can obtain both West German rearmament and re-unification of the country at some later date, he will have achieved something in the nature of a miracle.

A Good Job Indeed, one "work group" recommended that we recognize that most parents are doing a pretty good job as parents and need to be cheered over their successes. A similar note was emphasized by the National Council on Family Relations at its conference last September in Denver.

Fortunate is the child who has a pair of parents who, even from their pre-marriage days, have built each other up by dwelling on her or her own strengths; by generous use of honest compliments, by each celebrating the successes of the other. Especially good is this background if these parents rarely are heard belittling or criticizing other persons, but are often heard speaking with satisfaction and appreciation of their good qualities and achievements.

Certain Friends You and I have certain friends who when we see them are always finding fault with certain other persons. We also have some other friends who constantly express enthusiasm over the good traits and achievements of some mutual friends. Who enrich us more?

When we parents are practiced at bringing out the best in each other and in other adults, we are, on that account, the more disposed also to see and emphasize the best in our own children. In our new book "Homes Build Persons," Mrs. Myers and I say: "It's human to see the wrongs in our children and to show them our displeasure over these wrongs more readily than to see the rights and express our pleasure over these rights. The virtues in our children we take for granted; their vices stir us up, arouse our anger and rebuke."

For every deserving praise we give them, we are wont to utter twenty blames; yet, during almost any day, a child probably does a hundred praiseworthy things to one blame-worthy.

Takes No Effort It takes little or no intelligence, certainly it takes no effort, to see what we dislike in our child and to disapprove it. Our spinal cord will do that for us. But we must be mentally alert and exercise a lot of effort, to see and appreciate the specific things we like in this child. It takes still more struggle to let him know we have seen and appreciated them. Honest compliments run counter to our native urges. Yet, they do help to build another person up. Consider these principles in father-mother relations. How very hard it is for each to celebrate successes in the other and to build on each other's strengths, especially after they have been many mutual annoyances.

The basic reason why we so readily find faults in our spouse or child or so charily celebrate their virtues and successes is that we incline to suppose that we lessen our own sense of superiority. It takes effort to be generous with honest approvals of another person, and still more to choose to admit our own shortcomings.

## The Parent Problem

By Garry C. Myers, Ph. D.

### PRAISE CAN WORK WONDERS

In this column I have for years urged that we parents often practice at celebrating successes in each other, the father building on the mother's strengths and she on his; that we also celebrate successes in our children—all with a purpose to improve the other's personality and character. With increasing frequency, moreover, I have been reporting successful and happy families and assuring many parents who are over-critical of themselves and discouraged of themselves, as parents, that they are usually better parents than they suppose they are.

At the Mid-century White House Conference on children and youth I was pleased to hear frequent warnings to agencies and experts to be careful lest they often cause parents to magnify their own small problems, errors and weaknesses and to minimize their successes and strengths.

A Good Job Indeed, one "work group" recommended that we recognize that most parents are doing a pretty good job as parents and need to be cheered over their successes. A similar note was emphasized by the National Council on Family Relations at its conference last September in Denver.

### THE MANY AND THE FEW

Acquaintances, from day to day, in number may increase. We meet and send them on their way.

Without a binding lease. Dwellers among the many, they, Of whom we say we know; But few of them 'tis true to say, Will into good friends grow.

We hear the mention of a name To boast that we have met That we may share the little fame Some one has chanced to get. But were we in the depths of gloom, On should disaster fall, He would not be the friend on whom For aid we'd think to call.

Acquaintances we merely know, The old ones and the new, Since friendship slower is to grow, We only trust a few. And this the difference which parts Acquaintances from friends: The few will give to us their hearts. Until life's journey ends. (Copyright, 1951, Edgar A. Guest)

### Interview Seen Aid To Moscow

WASHINGTON, Jan. 24.—If Moscow had prepared it for one of the Soviet's propaganda broadcasts, the interview given by Major General Emmett (Rosie) O'Donnell could not have served better the purposes of world communism. Above all, the timing was ideal from the Russia point of view.

The O'Donnell interview came just as the United States delegation at Lake Success was trying to persuade reluctant delegates of Asian and European countries to go along with the resolution declaring Communist China an aggressor. These delegates, or rather their respective countries, are fearful that the initial resolution is merely the first step leading to unlimited conflict with China.

Drop Atomic Bomb So along comes the general and in his brash, gay way says that we must drop the atomic bomb on China. He is just back from the Far East bombing command. He is a professional soldier, presumably. Yet he talks about high policy, telling the world that this is already a global war.

Moreover, it is the way in which he put it that makes it so useful propaganda-wise to Communist imperialism. Undoubtedly it is going out day and night on hundreds of Russian-controlled transmitters. "They'll understand the lash when it's put to them," says General O'Donnell.

Here for every Asian is a picture of the bent back submitted to the lash of the white master. For Asians everywhere, and not just alone the handful of Communists that have China in a tyrannical grip, this is the old colonialism in a new atomic form.

Fear of First Step The reluctance of many of the U. N. delegates has been based on the fear that the first step—declaring China an aggressor—would lead to precisely what General O'Donnell was talking about. That is to say, an unlimited war with atomic bombs which would spread the utmost chaos and destruction in Asia and end after an indefinite period of years with the implacable hatred of all of Asia for the west.

It is here, in my opinion, that the responsibility falls on those advocating aggressive action against China to show how such action can stop short of just this result. If there are many military men who believe as he does, then the pressure for use of what General O'Donnell calls "the ultimate weapon" is bound to grow.

With even a few atomic bombs it would be possible to wipe out most of China's industry, her port facilities and her cities. Such a prospect must surely give the ardent advocates of Chiang Kai-Shek some little pause. For it is hard to imagine Chiang mainland back to the Chinese mainland after his friend and ally had perpetrated such vast slaughter which such bombing would mean.

# Armed Forces May Have To Be Increased

By RAYMOND WILCOVE  
(U. S. Staff Correspondent)  
WASHINGTON, Jan. 24.—Defense Secretary Marshall warned congress Tuesday that the strength of the armed forces will have to be increased beyond 3,500,000 "if the situation worsens."  
Marshall told the house armed services committee that another one million men and women must be called into service to reach the goal of 3,462,000 men set by the joint chiefs of staff as necessary by July 1.

He added, however, that "we will have to increase our forces beyond this strength if the situation worsens."

Marshall, testifying on the administration bill to draft 18-year-olds, asked the committee not to bar the use of such youths for combat service.

He repeated his assurance that the defense department does not plan to use men for combat service until they reach 19 "barring a dire emergency."

"Should Be Free To Act"  
In opposing a legal ban on combat use of 18-year-olds, Marshall said:

"No one can foretell the character and degree of hostile action that might be launched against us, except that certainly it would be in a manner to gain the tremendous advantage of surprise, and certainly it would be utterly ruthless in conception and execution."  
"In such a dire emergency, we

should be free to act instantly and as effectively as possible, that is, without strings attached. We must not be handicapped by limitations of virtually any kind at such a moment when our national existence is at stake."

Marshall solemnly told the committee that "today no voice is listened to in our troubled world unless it has adequate steel to support it."

The proposal to draft 18-year-olds gained powerful support, meanwhile, when committee chairman Vinson (D Ga.), endorsed the plan shortly before the hearings opened before his group.

## Find Unusual Note In Confiscated Slot Machine

OMAHA, Jan. 24.—(INS)—Omaha police—including Chief Fred Franks—worked long and hard destroying ten slot machines confiscated in raids on the Omaha Athletic club.

It took the cops an hour with sledge hammers to break up the slots.

They found \$155.45 and a Canadian quarter inside. And after they were finished a sticker on a jagged piece of metal caught their eye. It read:

"Mr. Owner: Always bear in mind that you lose money when this machine is out of service."

**TOBACCO MARKET**  
MADISON, Ind.—(INS)—The Indiana river town of Madison is the largest tobacco market north of the Ohio river. Each year from December through February more than \$3,500,000 is bid at auction for Indiana's crop of burley tobacco, used mainly in cigarettes.

# Carrier Used In Atom Bomb Test Ordered Sunk

SAN FRANCISCO, Jan. 24.—(INS)—The Navy disclosed in San Francisco that the carrier Independence, which was used in a Bikini atom bomb test, will be sunk off the California coast.

Details of the plan to sink the Independence were not announced but she is expected to be towed about 500 miles off the coast within a few weeks and sent to the bottom with a non-atomic weapon—a weapon that has been used before.

Permission to view the sinking will be denied cameramen and newsmen but it will be observed by a group of Navy men and scientists.

The hulk of the 10,000-ton Independence was towed from Bikini to Hunters Point Navy yard at San Francisco after the 1946 atom bomb test.

The Navy Department has ruled that her usefulness has now ended and decreed that she be sunk.

Planes of the Independence were credited with destroying more than 100 Japanese aircraft and a Japanese cruiser in World War II. She was commissioned in 1943 at the Philadelphia Navy yard.

**NO KISSES**  
LISKEARD, Eng.—(INS)—Women guests at the 100th birthday party for James Tippett were warned: "No farewell kisses, please. They proved too much for him after his 99th birthday."

## Feared Slain

FEARING he may have met the same fate as Billy Rodenberg, 13-year-old kidnap-slaying victim of nearby Crete, Chicago police are conducting an intensive search for 12-year-old Jerry. Ols (above), missing from his home since Jan. 4. (International)

## Drug Addiction Is Reported Increasing

HARRISBURG, Jan. 24.—(INS)—A state narcotics investigator reported that while drug addiction is on the increase in Pennsylvania the number of 'teen-age

addicts is high only in the Philadelphia area.

"Outside of that area the age group giving us the most trouble is well above the 21-year-mark," said Fenton Hayes, chief investigator in the State Health Department's drug control division.

Last June a marked decline in the age level of addicts was noted by Division Chief Don Gillung, who said that "a new generation of addicts" was springing up. Average age, Gillung reported, was 20 or 21 years old and "going down awfully fast."

**PRANK MAY BE COSTLY**  
CARLISLE, Pa., Jan. 24.—(INS)—A schoolboy's prank that cost a young girl her right eye today resulted in a damage suit for \$75,000.

The parents of Ellen June Kreiser, 15, of Camp Hill, contended in Cumberland county court that a paper clip shot from

a rubber band caused injuries so severe that her right eye had to be removed and the left eye still is in danger.

The suit was lodged against Warren Kistler of Camp Hill, a classmate of Ellen June's when she was injured two years ago.

## New Production Records Past Year By Hens And Cows

HARRISBURG, Jan. 24.—(INS)—The State Agriculture Department today reported new production records in 1950 by hens and cows on Pennsylvania farms.

An all-time annual milk production record of 5,952,000,000 pounds was announced along with

a new record of 3,371,000,000 eggs produced last year.

The milk total was two per cent above the previous record set in 1949 while the amount of eggs, subject to revision as of February 16, numbered almost 300 million more than in 1949, according to the department.

## BRIDES CLUBS

ITHACA, N. Y.—(INS)—The Cornell Brides Club has discontinued its activities after 42 years of organized activity. Other clubs, such as the Student Wives Club, founded since the war, duplicated its activities.

## Women's Group Marks Birthdays

## President Appoints Obituary Committee

On Tuesday evening, the Mabel Wilson lodge No. 567 gathered at their lodge room, South Liberty street, with Mrs. T. J. LaRock, president, in charge. There was a good attendance.

The president appointed an obituary committee: Mrs. William M. King, chairman; Mrs. William G. Sapper, Mrs. Earl Davis, and Mrs. LaRock.

Mrs. Hazel Baltes of Hampton, Va., a member, was a visitor. Several were reported to be on the sick list. A report was received from the committee on blanket club.

Several birthday anniversaries were celebrated, Mrs. Forbie Pitzer, Mrs. Nick Perrotta, Mrs. Elizabeth Weisbaker, each being presented with a gift on behalf of the lodge by the president. The door prize was captured by Mrs. Sapper.

A tasty lunch was served by the social committee, Mrs. LaRock and Mrs. Philip Hogan.

Next meeting of the group will be Tuesday evening, February 13, in the lodge room.

## Award Prizes At Boy Scout Meeting

At Mahoning school, the Boy Scouts Troop No. 4 met on Tuesday evening, at 7:30, with John Hall, assistant scoutmaster in charge.

John had charge of the opening

exercises. The patrols went into their corners and had their business sessions.

A game period followed, with John Hall supervising.

Scoutmaster Bill Weitz was at the meeting, and presented the prizes won by the patrols and the individual scouts at the late contest in the troop. Bill Shaffer won second place as individual scout, a hunting knife and canteen. The Eagle Patrol was winner of first prize in patrol contest, and was honored with a party during the evening, consisting with tasty refreshments directed by Bill Weitz.

Bill Bollinger, chairman of the troop committee, was present.

Three scouts from Troop 3, visited with Troop 4, and gave talks regarding election of candidates for city scout officials during Scout Week, February 6 to 12.

Troop 4 next meeting will be Tuesday evening, January 30, in the school, at 7 o'clock. James DiVidio, first prize individual scout winner, was unable to be present.

The group thanks principal Fred McLure for such a wonderful opportunity to go to Sharon to see the game.

## Dr. J. W. Creighton Is Presbytery Speaker

At the Shenango Presbytery on Tuesday, at the First Presbyterian church, in the afternoon, Dr. J. W. Creighton, of the faculty at Westminster College, and moderator of Mahoningtown Presbyterian church made a short address on foreign missions, and presented an account of condition of the Presbyterian mission field in China. He asked for the cooperation of his committee in the work. He also requested prayer for the grave situation regarding the mission work in that distant land, several of the ministers present, responding.

## Former Michigan Woman On Trial In Santiago, Cuba

Santiago, Cuba, Jan. 24—(INS)—The trial of Mrs. Karen Nelson, former Utica, Mich., nurse accused of conspiracy in the death of her husband, will be resumed today in Santiago before a tribunal which yesterday heard denials of guilt from Mrs. Nelson and two co-defendants.

Nelson, son of a plantation owner, died of a bullet wound in December, 1949. The defendants say that the pistol was discharged accidentally when it dropped from the holster of Alvar Nelson while he was working in a pump house.

The prosecution charges that Mrs. Nelson conspired with the plantation foreman, Luis Monterde, and the storekeeper, Hector Marrero, to get rid of her husband. It is alleged that Monterde actually shot Nelson so that he and Mrs. Nelson could collect insurance and flee Cuba together.

Monterde testified that he was called by Mrs. Nelson after her wounded husband returned home to her. Monterde said he saw the doctor, Marrero told the court he helped Mrs. Nelson care for her husband while awaiting the doctor. Nelson died before the doctor arrived.

Prosecution witness Israel Castellanos, head of the Cuban National Criminal Identification Bureau, testified that the pistol could not have been fired accidentally.

## Harlansburg P.T.A. Plans Activities

Members of the Harlansburg Parent-Teachers' Association met recently at the school, with Mrs. Mabel Kneram conducting an executive meeting before the regular business session.

During the evening plans were made for a county fair to be held in the future at the school. Mrs. Dickinson, Mrs. Dean, and Mrs. Weidenoff were named as chair-ladies of the event.

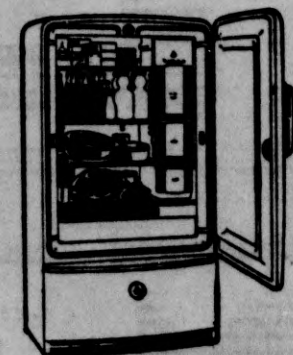

Mrs. Martha North reported that a paper drive would be held in the community on January 31. Residents may leave their paper at the rear of Kramers' store, West's garage, and any bus shelter. Newspapers, magazine, and boxes are acceptable, with boxes to be flattened.

## March Of Dimes Returns Grow

## Contributors Begin To Send In Checks

Returns are beginning to come in from the letters sent out to local automobile owners, in the annual March of Dimes campaign, and several nice checks were noted in the first bunch of returns. Campaign Director George C. Powers, Jr., stated today.

One of the outstanding jobs of solicitation in the campaign has been turned in by Roy "Sandy" Sanderson, elevator operator at the Temple Building, who has been collecting funds for the March of Dimes with a "lapel box". These boxes have been furnished a number of people in strategic locations in the city and are producing splendid results. Mr. Sanderson has already collected the sum of \$30.66 with his splendid approach.

Chairman Powers today asked local residents to make a return on their solicitation card as speedily as possible in order that the campaign can be terminated by the last of the month as scheduled.

## Further Reductions In Civilian Use Of Steel-Rubber Near

WASHINGTON, Jan. 24—(INS)—Further reduction in civilian use of steel and natural rubber appears today to be imminent.

The National Production Authority prepared to summon major appliance and metal furniture manufacturers to Washington next week for conferences on steel conservation. And NPA's meeting with its rubber advisory committee yesterday was scheduled into a second session today.

NPA already has revealed it is considering a ban on the use of rubber in such articles as toys and bathing caps. A request for increased production of camelback, used in tire recapping, indicated possible slashes in civilian tire production.

Another possibility is that NPA might order an increase in the synthetic rubber content of tires, now set at 65 per cent natural and 35 per cent synthetic.

NPA will ask the furniture and appliance companies precisely what percentages of output of refrigerators, stoves and other appliances will be curtailed to meet government restrictions.

## Woman Wounded By Old Musket

PITTSBURGH, Jan. 24—(INS)—Mrs. Virginia Steen was wounded in the hip last night by an old musket in the hands of a cub scout.

It was an accident resulting from a playful gesture by the boy. He picked up the old gun, pointed it at Mrs. Steen, said "hands up" and pulled the trigger.

The gun fired. The victim's husband, Charles Steen, said as far as he knew the musket ball which wounded Mrs. Steen must have been in the gun for 80 years.

## Public Whipping Urged For Selling Dope To Minors

NEW YORK, Jan. 24—(INS)—Police Commissioner Thomas F. Murphy proposed today that dope "pushers" who sell to minors be publicly whipped.

The commissioner said that "obviously, addiction is on the rise," and added it would be a good idea to "borrow something from the laws of Delaware and add whipping in cases of sales of narcotics to minors."

"Perhaps an enraged public could help by causing severe penalties to be imposed on sellers. Perhaps even the legislature might help by making severe penalties mandatory."

The commissioner addressed a forum on youth and narcotics sponsored by the New York Bar Association.

Dr. Victor H. Vogel, in charge of the U. S. Public Health Service Hospital in Lexington, Ky., said more than half his patients are teen-age New Yorkers. Dr. Vogel said addiction is "mushrooming" among young people.

Meanwhile, the Senate Crime Investigating Committee plans to open hearings in New York next month with special emphasis on the increase in dope use among teen-agers.

## Senate Democrats Threaten New Move Against Margiotti

HARRISBURG, Jan. 24—(INS)—Senate Democrats today threatened legal action to determine Charles J. Margiotti's right to serve as attorney general minus upper chamber confirmation.

Minority whip John J. Haluska said Democrats propose a taxpayer suit in the Dauphin County Court to challenge Margiotti's opinion that he can continue in office until the end of the legislative session without approval. The State Supreme Court then will be asked to assume original jurisdiction.

Haluska said a ruling also will be asked to establish the legality of Gov. John S. Fine's action in naming eight of his department heads deputies and then designating them acting secretaries to sidestep needed confirmation in order to function as full cabinet members.

The action will be filed in Dauphin County Court sometime after February 5, Haluska said, unless the 30 Republican senators indicate they will back Margiotti's appointment.

## LIGHTNING TARGETS

NEW YORK, Jan. 24—(INS)—Two electrical engineers said today that the average building is a target for lightning once in 40

years but the odds can be lengthened to once in 30,000 years.

A. M. Opsahl and J. Z. Linsmeyer told the American Institute of Electrical Engineering that this

can be done by an adequate system of lightning rods and ground wires.

The hickory tree is strictly North American.

### THOMPSON-WHITE WEDDING

Announcement is made of the marriage of Miss Lorene Thompson, daughter of Mrs. Vernie Thompson, New Bedford, to Wilbur White, eldest son of Mr. and Mrs. Clyde White, Union street, Pulaski. The ceremony took place January 15 in the New Bedford Hopewell church at three o'clock with Rev. O. Sloan Whitcomb officiating. The bride's choice for her wedding costume was a navy blue suit with black accessories and a corsage of white chrysanthemums. Mrs. Edith Moore of New Bedford attended her sister as matron of honor, and Carl Moore of New Bedford served as best man. Mrs. Moore was attired in a green dress with black accessories and her flowers were white and lavender chrysanthemums. The young couple dispensed with a wedding trip and are making their home with the groom's parents.

### HONORED AT EVENING PARTY

Mrs. Arnold Knight was honored at a lovely party in the Winters home, Union street, Pulaski, Friday evening, at which Mrs. James Winters and Mrs. Paul Chintella were hostesses. Games and a social time occupied the 30 guests. At the evening's close a delicious lunch was served by the hostesses. The pink and blue motif prevailed in the appointment of the trays. Mrs. Knight received an array of lovely gifts.

### SPORTSMEN CLUB

Members of the Pulaski Sportsmen club met last Thursday in the I. O. O. F. hall for their regular meeting. During the evening pictures were shown by Charles Robinson of New Castle. ## Service Wives Give Tips On Health Talks Some Cooking Problems

By DR. W. A. WOMER

By MARTHA KEARNEY  
(N. S. Staff Correspondent)

WASHINGTON, Jan. 24.—Service wives have a few interesting answers to the problems of cooking without electricity, gas or firewood in a national or local emergency.

Some of their helpful hints, gathered during the process of making the best of bad conditions in remote outposts, are included in the new Jango (junior army-navy guild organization) cookbook.

When deprived of electricity, gas and firewood, they recommend that several sheets of newspapers be gathered. The newspapers should be opened and cut into strips or used whole as appears to best suit the need.

The papers ought to be rolled into one piece then. Before reaching the end of the roll, according to the service wives, another piece of newspaper should be added.

**Tighten Thick Roll**  
They recommend that you then continue rolling tightly until you have a tight, thick roll. This should be tied with a string and dipped into a quantity of paraffin.

An alternative is to melt candles onto the roll until it is thoroughly saturated.

When rolled, the newspapers should fit a No. 1 size can with the lid removed. The roll should be inserted in the can and again saturated with paraffin.

They then recommended that a No. 2 1/2 size can be punctured on

the side of the lid with a can opener and another hole be punched into the opposite side of the bottom.

The small can is to be placed beneath the larger one and the paraffin is to be lighted. The larger can serves as the stove. This method of cooking was used by service wives at Pearl Harbor after the bombing in December, 1941.

The service wives also recommend that in case of a stoppage of electric current a peanut may be used for best illumination. The peanut is to be pressed into a soft object, such as fruit, and the pointed end of the peanut is to be lighted with a match. This is said to make an excellent emergency candle.

### State Police Say:

A child's life is more precious than the few minutes of time you'll save by speeding. As drivers we must remember that there are times when our moral responsibilities take priority over our legal obligations. Would you be greatly inconvenienced if you were to slow down to 15 miles an hour in school zones, or playground areas, or where children are walking along the highway? Even if you are legally "right," does that make the child's injuries less painful?

## Rotary Head Gives Ideas

Chicago, Jan. 24.—(INS)—Arthur Lagueux, of Quebec, president of Rotary International, believes today the Rotary "idea is ever valid and its growth has proved its validity."

Lagueux, head of an investment firm, told the Rotary Club of Chicago that Rotary deals in "friendship, service and decency." He added:

"Rotary is not selling anything. We are not a business. We are an idea. We don't want anything from anybody; we want to give something, and mainly, we want to give ourselves."

Lagueux made no mention of recent action of Pope Pius who asked Roman Catholic clergymen not to join or belong to Rotary. He did say, however:

"We worship one god, according to our individual ways. We support varied political governments, according to our individual ways."

"We read what we please; speak, vote, think as we please. We are free to be ourselves."

"That is all very fine, and none of us would have it different. But it is not enough by the Rotarian concept."

"Such freedom carries with it individual responsibility not to limit the pleasure to one's self." Lagueux said the aims of Rotary are the same as those of the United Nations—"United in the ideals of service."

## Expect Lewis To Ask Pay Boost For Hard Coal Miners

PHILADELPHIA, Jan. 24.—(INS)—John L. Lewis is expected today to demand a \$1.60 per day "across-the-board" pay boost for his approximately 80,000 anthracite coal miners.

The fiery United Mine Workers' Union president and a 10-man negotiating committee will begin closed-door deliberations in Philadelphia this morning for extension of a similar wage boost recently granted 400,000 bituminous diggers.

Anthracite industry sources have indicated they anticipate little difficulty in reaching a wage settlement with Lewis for the hard coal miners.

## Congregationalists Begin Pre-Lenten Services Tonight

Lent comes this year earlier than it will again in 50 years.

Two pre-Lenten services are scheduled by the pastor, Rev. Thomas J. Jones, at the First Congregational church.

The theme to be discussed this evening is "Whether Our Economic Prosperity and Our Materialistic Philosophy Is Keeping the People Of God From Getting On Their Knees In Prayer." Does the admonition of the Book of Proverbs apply to us?—"Lest I be full and deny Thee."

The attendance at prayer services has been steadily increasing, and 1951 will find the members of First Congregational church seeking further spiritual advances. Hearty congregational singing at the meeting will be enjoyed, directed by Griff Thomas.

## Two Brothers Are Sentenced In Death Of Three

CARLISLE, Pa., Jan. 24.—(INS)—Two brothers today began prison terms on charges stemming from a Pennsylvania Turnpike collision killing three persons November 12.

Judge Dale F. Shugart sentenced Norman Robinson, 18, of Pateron, N. J., to eight months in Cumberland County Prison and his brother Stanley, 24, to six to 12 months.

Norman, driver of one of the three cars involved in the crash, pleaded guilty to motor code violations. Stanley was found guilty of bringing stolen property into the state. Police said he confessed stealing the vehicle in Chicago.

Killed in the crash were Eugene Pointer, of Glendale, Calif.; and Charles S. Porter, of Newark, N. J., drivers of the other two cars; and Alvin Small, of Brooklyn, N. Y., a passenger in Porter's car.

## Korea Re-Visit Reveals Curious Calm By Troops

By FRANK CONNIFF  
(U. S. Staff Correspondent)

SOMEWHERE IN KOREA, Jan. 24.—With the national facility for adaptation, Americans in Korea have accepted the stark need for military withdrawals and no longer are jarred by recurrent rebuffs on the fighting lines.

Korea re-visited comes as a shock to a kibitzer who remembers the frenetic tension of last summer. In the early days of our Asiatic adventure, a sense of urgency permeated every echelon. The pressure was almost tangible, soldiers and civilians alike seemed weighted by the knowledge that American troops were being clobbered by a primitive and scorned enemy.

### Curious Calm

In place of that urgency and tension, you find the rear area today swathed in a curious calm. Tranquility runs rampant in quarters once vibrant with the philosophy of "stand or die." The fighting in July was only a maelstrom pitch up the road, of course, while right now a sizable swath of territory separates the rear areas from the furnace of combat.

Apathy is not the answer to this strange and puzzling mood, although people languid here for almost seven months could be condescended if they took a jaundiced view of the whole shooting match. It is more likely, I think, that old Korea might have grasped the nub of our predicament and no longer are embarrassed by the recurrent necessity of tactical withdrawals.

It is odd but true that I was more susceptible to the Korean emergency ten days ago in New York than during my first few days in the theatre itself. The stateside headlines, yammering of renewed retreats, were a constant needle to the emotions, whereas people on the scene accepted in stride the problems of adjustment and carried out the operation with remarkable skill.

### Protocol Observed

While passing through a headquarters town a few days ago, I viewed a scene which underlined this cool attitude toward a grim situation. Several high-ranking

dignitaries were visiting the resident brass and an army band and color guard mustered out in full panoply for the occasion.

Protocol was rigidly observed. The band piped merrily and the visitors inspected the guard with measured tread. The ceremony lasted fully 20 minutes. It might just as well have transpired on a parade ground in America as in a Korean schoolyard only a few hours distant from the fighting lines.

This refusal to show surface jitter has a tonic effect on the native populace. Asiatics own a fine sense for incipient panic and any letdown would be swiftly noticed. Instead they see American soldiers going about their business with jaunty aplomb and reassurance ripples out through the area.

As I remember writing at least once before, an American army in the throes of withdrawal presents a far more absorbing study than a similar unit taking off on a grand offensive. The latter operation is in keeping with our tradition of continual victory. As such it can be understood in perspective with the storied exploits of history books.

## Green Safety Drive Is Going

### Canan Tells Lions How Plan Is Working

Russell B. Canan, chairman of the Lions club's Green Pennant campaign in the schools of the city and county, explained how the campaign, which is now in progress, is working out.

Pupils of the schools which have no traffic accidents for a month receive a Green Pennant, which they may keep as long as they have a perfect record. The second month, the students receive buttons, and each month thereafter, they receive seals for their pennants.

A picture on highway safety, entitled "Last Date," was shown to the club, depicting the misadventures of a young lady, who thought her first date was too slow, so she took up with another boy who drove a fast mile. Both ended up in the morgue.

Pearson Furst, of the Hutchinson Feed company was admitted to club membership, having been a former member of the club.

## Fire Destroys Home Near Darlington

## Senate Would Brand China As Aggressor

WASHINGTON, Jan. 24.—(INS)—The Senate on Tuesday unanimously approved a resolution urging the United Nations to immediately brand Communist China as an "aggressor" in Korea.

The Senate vote followed similar House action and was asked by Sen. McClellan (D Ark., sponsor of three proposals aimed at Red China.

McClellan told the Senate that if the UN "has become so timid and has deteriorated" to such an extent it will not take action "against a big aggressor as it did a little aggressor," the American people will question why this country remains in the world organization.

He said that "considering the UN sent troops to Korea" against the North Koreans "how can we sit back and take no action against a second and worse aggressor." McClellan added:

**Should Declare Aggressor**  
"The government of the United States could never look the American people in the face without blushing for shame if it ever tolerated Communist China in the United Nations."

The resolution approved today states:

"Resolved, that it is the sense of the Senate that the United Nations should immediately declare Communist China an aggressor in Korea."

Still pending in the Senate is a second resolution to put the chamber on record as opposing recognition of Communist China by the UN.

A third resolution, which would favor use of economic sanctions against Red China by the UN and a UN blockade, probably will be referred to the Senate foreign relations committee.

## Estimates Russia Has Condemned 23,000,000 To Camps

NEW YORK, Jan. 24.—(INS)—A Spanish revolutionary leader who broke with communism when he discovered its ideology meant slavery for the people, estimates that Russia has condemned 23,000,000 persons to labor camps.

The Spaniard, Ed Campesino, one-time commanding general of the famous 46th assault division, said he could have been one of the "privileged" under Stalin's regime but for their differences on the meaning of freedom.

El Campesino, a key witness in the Paris libel suit trial against the French communist literary paper, Les Lettres Françaises, expressed his view in a film interview prepared for distribution by Telenews, Inc., on television.

A French court awarded damages to author David Rousset when he was libeled by the communist publication after he asserted that Russia maintains a larger number of concentration camps.

## Senate Confirms Eric A. Johnston Without Debate

WASHINGTON, Jan. 24.—(INS)—The Senate on Tuesday confirmed the appointment of Eric A. Johnston as economic stabilizer by voice vote and without debate.

The Senate also confirmed by voice vote the nomination of William H. Harrison as defense production administrator.

There was no dissenting vote on Johnston's nomination despite earlier criticism of him by the chairman of congressional watchdogs over the anti-inflation program.

## 'Mystery Woman'

IDENTIFIED as the "mystery woman" who has been passing out one dollar bills in New York in the same fashion John D. Rockefeller used to pass out dimes, his granddaughter, Mrs. Muriel McCormick Hubbard, 49, of Lone Tree Farms, Middletown, Conn., is surprised that newsmen found out about her actions. She said, "I play Santa Claus a lot as I go through life but I don't brag about such things as this." She told them she gave several hundred dollars to Navy recruits as "a belated Christmas gift."

## Name Red Cross Division Heads

N. N. Jaquish, chairman of the 1951 Lawrence County Red Cross publicity campaign, announced today that L. J. Lewis, fund chairman, has appointed soliciting heads of the respective county divisions, for the annual Red Cross campaign to begin Monday, Feb. 26.

The divisions and those named as heads are: residential, Mrs. Roy A. Long; professional, doctors and dentists, Mrs. G. W. May and Mrs. Walter Fulkerson; business, Charles S. Danford, assisted by Blair Alverson, Lauri Laurell and S. Glenn McCracken; industry, Robert M. Garland; public schools employees, Dr. F. L. Burton and Miss Betty Brown; government, Harvey B. Bush; county, Andrew M. Dodds; railroad, Marion Streett; motor transportation, J. Fred Clarke; and special groups, Alec Samuels.

Lawrence county's budget for 1951 has been set at \$52,000, which will later be broken down into quotas for the respective divisions. Division leaders are now organizing groups of workers for this civic project and if you are called upon to help in this work it is asked that you lend your full support.

## Bessemer Auxiliary Collects Toys To Be Sent To Europe

At the American Legion Home in Bessemer, the Auxiliary members had their meeting recently, when a fine collection of toys for the American Legion's "Toys For European Children" was received.

Reports were made of special Christmas boxes sent to George Dixon, brother of Mrs. George Martin, who has been at Coatesville Veterans hospital for many years, and to Rudy Sankovich, who has been in Deshon hospital, Butler, for several years.

All friends of Rudy Sankovich will be glad to know that he has been discharged recently, and is now at home in Bessemer.

Mrs. Sara Belle Gibson had letters read from the unit's adopted boy at Scotland school, telling of his Christmas, and thanking the unit for the gifts sent him.

The Earl J. Watt unit is collecting coupons again this year. All monies received from their redemption will be used at the Veterans hospitals in the state. Public asked to save and turn over to any auxiliary member all coupons having redemption value. This will be doing a good deed for your hospitalized veterans by helping this project.

Mrs. Paul Kenny was elected a delegate to the Tri-County Council meeting at Sharpsville on January 18. Mrs. Edwin Ball and Mrs. Victor Grimes accompanied her.

February meeting of the unit is to be devoted to Americanism work. Mrs. Elmer Shaffer, chairman, will explain the unit's work with the schools, and expects to have an interesting, instructive, and entertaining program featuring some of the young people in the community. The date of this meeting will be Monday, February 12.

## Plan For Review At Camp Afterbury

CAMP AFTERBURY, Jan. 24.—(INS)—Maj. Gen. Daniel B. Strickler, commander of the 28th infantry division, said plans are complete for the 28th division day review and parade at Camp Afterbury Saturday.

It will feature the first full war-strength parade of the former Pennsylvania National guard division.

The review and parade mark the end of individual training, a phase of the 28-week training cycle, and introduces the phase of unit training.

Mr. and Mrs. Maddigan, who now reside in Holly, Pa., attended funeral services in Lapel, Monday.

George Washington knew why we needed a Stock Exchange

Under a buttonwood tree... in 1792, the third year of George Washington's first term as President... was the beginning of what is now the New York Stock Exchange.

To pay for the Revolutionary War, "stocks" had to be sold by the Government.

But people were naturally unwilling to invest in securities unless they could be easily resold. A market place was needed.

So a few businessmen who traded in securities decided to meet every day under the branches of an old buttonwood tree—only a few blocks from where the New York Stock Exchange now stands.

Today, the New York Stock Exchange is basically the same in purpose as in the days when George Washington knew it. It is a place where the securities of our largest and best-known businesses are bought and sold at auction.

What many people do not know is that the Stock Exchange does not buy or sell securities, or in any way set the prices. The Exchange's function is to provide a national market place. Handling investors' orders for a few shares, or hundreds, is the day-to-day business of its members and member firms.

Information on America's leading businesses, their financial picture, their earnings and dividend records can be had from member firms of the New York Stock Exchange. Their offices are located in 388 cities. Their facts and experience are yours without obligation.

## War Correspondent Back In Korea, Cites Conditions

Frank Conniff, noted War Correspondent, Columnist and Feature Writer, has returned to Korea for International News Service. In this article he tells of his impressions on arriving back on the battlefield.

**By FRANK CONNIFF**  
(U.S. War Correspondent)

**SOMEWHERE IN KOREA, Jan. 23.**—(INS)—This is where I came in, literally.

Six months to the day after a C-47 dropped me in to Taegu to cover the earlier phases of the Korean war, another army transport touched down at the same airport and I was once again exposed to the frustration and the fascination of this bizarre "police action," if you will pardon the expression.

A lot of things have happened since that sweltering afternoon in mid-July when I first peered at the craggy ribs and paddy fields of old Korea from the porthole of our army plane.

The ebb and flow has encompassed the exaltation of victory and the bitterness of failure. There has been gallantry here, and stoic fortitude and no little agony.

**Brave Men Have Died**  
Brave men have died in an alien land hoping that the sacrifice might buy their country time in which to prepare for the crucial tasks looming ahead. They have paid the last full measure of devotion mentioned in the history books of their youth. A war they never made caught them up in its grim clutch and squeezed the extreme tribute of good blood.

So someone who saw the good and the bad, the spurts and dips, who was present for the summer reverses and also witnessed the September resurgence, comes back for the finale of what General Douglas MacArthur has properly labeled an "entirely new war."

It is ironic that the wheel has come full circle during the intervening months and that my second threshold to war is the exact springboard which spawned the first explorations last July.

**Going Through Nightmare**  
I am not the only reporter to

feel he is going through the motions of a nightmare that happened once before. The same old datelines from the summer are again flickering the front pages. Substitute "frostbite" for "heat prostration" and some of the vintage commentaries might be re-run almost word for word. Add snow and ice to the descriptive prose and you catch the natural grandeur of this bleak and flinty land.

There was a sharp contrast, however, between my flight into Korea this time and the first entrance last July. The winter trip was comparatively plush.

In July of 1950 we left Tokyo in pre-dawn darkness, belted in Mae West vests and strapped in parachutes. The plane was a bucket-seat job that made small allowance for civilian comfort.

**Get Used To Anything**  
America had been in the ground war less than three weeks and the tension of the time could be felt all the way back to Haneda airport. We made three halts en route. Miserable and dazed in sweat, we hit Taegu eight or nine hours later.

Well, we Americans get used to anything, even military setbacks. The trip to Taegu this time was a model of wartime style. We luxuriated in soft seats, a neat box lunch was served aloft by an attendant, and our four-motor plane made it non-stop.

It was a nice beginning for my second whack at Korean coverage and I can only hope that it presages a happy ending.

Just by glancing up from the keyboard as I wrote these lines, I can study a huge map of war-torn Korea. And only a few minutes ago I heard a staff officer de-

scribe the situation of the American army as serious but not critical.

That last remark made it official. The reminiscent phrase was the final reminder that this is where I came in.

### Try And Stop Me

By BENNETT CERF

Chauncey DePew, addressing a graduating class at the Harvard Law School, reminded his audience, "Everything you've learned here will go for naught if you forget this fundamental rule: when

it becomes apparent in a case that somebody on your side is headed for jail, be sure it is your client!"

A lad from the Arkansas hills was drafted. His sergeant warned him that he would be expected to don a clean pair of socks every morning. A week later the sergeant descended upon him at company drill and hollered, "Where are your shoes?" The distressed private protested, "Gee whiz, Sergeant how do you expect me to get 'em on over seven pairs of socks?"

Inscription, in big block letters and red ink, discovered by a Latin professor in the inside cover of

his most troublesome student's text book: "IN CASE OF FIRE, BE SURE TO THROW THIS BOOK IN."

**SMUGGLING**  
**MANILA**—(INS)—The Philippine senate is considering a bill to increase sharply the penalties for smuggling cigarettes and other foreign articles into the country. The bill was introduced into the upper house of the Philippine legislature by senate president Mariano J. Quenco following reports that the government was losing millions of dollars annually in duties which smugglers avoided.

### PIN-WORMS MAY BE A FAMILY AFFAIR

Fidgeting, nose-picking and a tormenting rectal itch are often tell-tale signs of Pin-Worms... ugly parasites that medical experts say infect one out of every three persons examined. Entire families may be victims and not know it.

To get rid of Pin-Worms, these pests must not only be killed, but killed in the large intestine where they live and multiply. That's exactly what Jayne's P-W tablets do... and here's how they do it:

First—a scientific coating carries the tablets into the bowels before they dissolve. Then—Jayne's modern, medically-approved ingredient goes right to work—kills Pin-Worms quickly and easily.

Don't take chances with this dangerous, highly contagious condition. At the first sign of Pin-Worms, ask your druggist for genuine Jayne's P-W Vermifuge... the small, easy-to-take tablets perfected by famous Dr. D. Jayne & Son, specialists in worm remedies for over 100 years.

### Historical Medical Highlights No. 54

HIPPOCRATES

Almost 25 centuries have passed since Hippocrates lived and practiced medicine on the island of Cos, yet this influence and teachings are still alive. In his medical treatises, preserved in the Hippocratic Collection, we find an operation described almost as it is done today, and his ethical teachings, as set forth in the famous Hippocratic oath, are repeated every year by many graduating medical students. It is no wonder that he is known today as the father of modern medicine and a symbol for all that is best in medical tradition.

High medical standards call for high quality medicines. You may be sure when you call on us to fill a prescription that every drug, herb or chemical used is of the very best quality and is compounded with the utmost skill.

## Added Significance Given To Truman-Pleven Parley

By GEORGE DURO

(U. S. Staff Correspondent)

WASHINGTON, Jan. 24.—Added significance was given to the conference between President Truman and French Prime Minister Pleven today by Russia's renewed efforts to split the western big three powers.

The White House and State department took full note of the timing of a second USSR note to both France and Britain warning them to regard organization of a North Atlantic army as a definitely "aggressive" move against Russia.

Washington officials were pleased to note that over the weekend a French spokesman had asserted that the note from Moscow was "merely repetitive."

### To Send Moscow Notes

Early this week, the U.S., Britain and France will send parallel notes to Moscow demanding "clarification" of the USSR bid for another Big Four conference of foreign ministers.

All three nations are already on record in opposition to the Russian formula for such a conference. They will advise Moscow:

1. There must be a meeting of deputies to arrange a mutually accepted agenda.

2. All of the world's tensions the Kremlin has created in Asia, Europe and elsewhere must be put on this agenda as against Russian insistence it be confined to German problems, particularly "disarmament" of Western Germany.

### Tries Intimidation

It was highly obvious on diplomatic row that Russia is attempting especially to intimidate France knowing that country's reluctance to see too great a resurgence of West German military strength for inclusion in Gen. Dwight Eisenhower's Atlantic defense army.

Another weekend incident was being studied in Washington. This was the flight of a group of satellite Hungarian bombers across anti-Soviet Yugoslav territory into satellite Albania. First reports declared 100 planes were in the air and ranged Yugoslav territory for an hour.

A Belgrade spokesman, however, minimized the incident. It had the effect, according to radio reports, of disturbing the European public on Sunday.

America produces more than 50 per cent of the world's shoes.

## Seek Expansion Of Marine Corps

WASHINGTON, Jan. 24.—(INS)

—Ex-marines in congress united today to push a bill requiring President Truman to expand the Marine Corps to at least 400,000 men and give it a place on the joint chiefs of staff.

Sen. Douglas (D) Ill., a World War II marine officer decorated for "heroic achievement in action," claimed 30 senators and 50 house members are supporting the bill.

Douglas and other former marines in congress hold a news conference today on the measure. The senate has four ex-marines, the house has about 10.

## Eric Johnston Is Sworn In Today

WASHINGTON, Jan. 24.—(INS)

—Eric Johnston took office today as economic stabilizer amid growing signs that the government may order a nationwide "freeze" tomorrow to halt the rise in living costs.

The former U. S. Chamber of Commerce president and head of the Motion Pictures Association was sworn in by Chief Justice Vinson in ceremonies attended by several members of the cabinet, Defense Mobilization Wilson and other top government officials.

Johnston said "The government is taking positive steps to reduce the high fever of inflation."

## Further Ban On Use Of Nickel

WASHINGTON, Jan. 24.—(INS)

—The government today banned the use of nickel in approximately 400 civilian articles ranging from automobiles and home appliances to building materials and toys.

The action was taken by Defense Production Administrator William H. Harrison.

Harrison's order bars the use of nickel in about 200 products made from nickel plating and nickel silver starting March 1. Beginning one month later, the same controls go into effect on stainless steel and high nickel alloys.

## HAD HUGE DIAMOND SUPPLY IN SHOES

NEW YORK—Eta Hoffman, 26, Belgian immigrant girl, bows her head as U. S. Attorney, Frank J. Parker checks \$1,000,000 worth of industrial diamonds and the "wedgie" shoes she is accused of using to smuggle them in. Watching is Assistant U. S. Attorney, George W. Percy, Jr.

## Gaston Post Plans Coming Activities At Meeting Tuesday

Plans for a number of activities were made at the meeting of Perry S. Gaston Post, American Legion, in the Legion Home, Tuesday evening, Commander Manning Weller announced today.

Plans were outlined for re-activating the Burial Escort, Guard of the Post, which functioned in an outstanding manner during the days following the close of the late war, and also assisted with the burial of other veterans.

Chairman Kenneth Smith, of the Hospital entertainment committee, stated that programs of entertainment are being arranged for at Deshon hospital on February 1 and February 22, through the cooperation of the local musicians union.

Membership chairman Al Walker, senior vice commander of the post, stated that the membership is growing and that a personal contact committee will be named to call on former members.

Formal announcement was made that Foreign Relations Chairman A. Barrett, will be here to address the post on Tuesday evening, February 13, and arrangements are being made for a big meeting on this occasion.

**FLYER IS KILLED**  
ABSECON, N. J., Jan. 24.—(INS)—Navy Ensign Claude E. Lytton, Jr., 25, of Miami, Fla., was killed last night when his fighter plane crashed and burned in the woods near Absecon. Lytton had been on a routine training flight in a Corsair out of the Atlantic City Naval Air Base.

Today 25 per cent more Americans own their homes than did before World War II.

## Mrs. A. T. Kissinger Falls Down Stairs

Word has been received here that Mrs. A. T. Kissinger, former resident of Spruce street, who is residing with her granddaughter in Aliquippa, fell down the stairs a few days ago. Although no bones were broken, her back was badly wrenched and she was confined to her bed some time before she can be about.

Mrs. Kissinger is well known in this city, having resided most of her life here. She is one of the old Sixteeners of Mercer county and one of the few remaining survivors of that organization. She is located at 136 Temple street in Aliquippa.

## John R. McMorris New C.I.T. Manager

John R. McMorris, of Pittsburgh, has been appointed branch manager of the Universal C.I.T. Credit Corporation office at New Castle. His promotion was announced by A. S. Johnson, vice president in charge of the company's Pittsburgh Division.

Before his recent promotion, Mr. McMorris was assigned to the division staff.

Mr. McMorris will make his new home in New Castle. He is replacing S. B. Magie, who has been assigned another position with the company.

There are some 250 species of the wren family.

## Dickie McCandless Has Leg Broken

Dickie McCandless, six-year-old son of Mr. and Mrs. Chester L. McCandless, New Castle, R. D. 1, had the misfortune of having his right leg broken on Sunday, at his home. The accident occurred while he was wrestling with his brother.

The lad, who was admitted Sunday afternoon to the Ellwood City hospital, was discharged Monday evening and is now confined to bed at his home.

## Hospital Auxiliary Dinner Thursday

Tickets are still available for the annual spaghetti dinner sponsored by the New Castle Hospital auxiliary, which will be held Thursday evening, serving to take place from the hours of 5:30 to 8 in the Cathedral.

The dinner, which was scheduled for November 30, had to be postponed because of the storm.

Tickets may also be obtained at the door. The dinner, which will be prepared by expert Italian cooks, promises to be an enjoyable affair. Proceeds will go to the hospital expansion fund.

Mrs. Paul Forney is general chairlady of the occasion and Mrs. Jessie Stenger is in charge of the dining room committee.

It took almost 13 years to build the Brooklyn bridge.

## Remington Under Cross-Examination

NEW YORK, Jan. 24.—(INS)—The defense in the perjury trial of former Commerce Department employee William Remington will proceed today with direct examination of the defendant.

Remington, who has been on the witness stand in his own behalf for the two previous days, is expected to remain there for the rest of the week under cross-examination.

In testimony yesterday Remington, 33, denied flatly that he ever told his former wife, Ann Moos Remington, that he was a Communist.

## STRIKE IS AVERTED

PITTSBURGH, Jan. 24.—(INS)

—A strike scheduled for today on the Aliquippa and Southern railroad was averted by government seizure of the line.

The government stepped in last night, only a few hours before the

6 a.m. strike deadline. The line serves the Aliquippa works of the Jones & Laughlin Steel corporation.

About 300 members of the CIO-United railroad workers are involved in a wage dispute with the company.

## RACHEL REBEKAHS INITIATE GROUP

An initiation of new candidates highlighted the meeting of the Rachel Rebekah lodge 40 in the I. O. O. F. hall on Monday evening. Mrs. Jennie Thompson, past noble grand, was celebrant of the occasion, with Mrs. Susie Gillespie, past noble grand, in charge of the initiation.

Several visitors were present from the Emeline Rose Rebekah lodge. A tempting lunch was later served, with pink and green canopies and centerpiece, colors of the lodge gracing the table for the evening. The committee in charge of the lunch included Mrs. Anna Hawk, Mrs. Eva Drumheller, Mrs. Jennie Thompson, Mrs. Lillian Conner, Mrs. Pearl Jones, Mrs. Viola Nelson and Mrs. Charlotte Phipps.

The next meeting will be held February 12 in the I. O. O. F. hall.

## QUOTA CLUB MEETS AT WILLIAMS HOME

Mrs. J. C. Williams was the gracious hostess to members of the Quota club when she welcomed the group into her home on Orchard way, Walmo, Tuesday evening.

Following the short business meeting, chatting and games of capasta were the evening's diversions. A dainty lunch was later served by the hostess, assisted by Miss Neva Moore. An arrangement of flowers graced the table for the occasion.

On February 6 the club will have a dinner-meeting at The Castleton hotel at 6 o'clock.

## Dames Of Malta

Members of the Dames of Malta, Star of Liberty Sisterhood 176, will meet tonight in the I. O. O. F. hall at 7:45 o'clock.

Following the business meeting, there will be a practice for both degrees.

## ALPHA GAMMA DELTA JANUARY MEETING

January meeting of the Alpha Gamma Delta Alumnae Chapter was held at the home of Mrs. Robert Weingartner, Butler road, Tuesday evening. Associate hostesses were Mrs. Bart Richards, Mrs. Orville Brown and Mrs. Norman Nelson.

The regular business meeting was conducted by the president, Mrs. R. J. Robinson, with a social period following. Fraternity colors were used in the serving of refreshments and in table decorations.

Mrs. Eben Reid, a former member, was welcomed back to town.

Mrs. Dean Staley, North Mercer street, will be hostess February 27, with each member to bring home-made food for the special event which will be featured.

## P. F. F. Club Party

Mrs. Jessie Stenger of Highland avenue welcomed members of the P. F. F. club into her home on a recent evening. Three tables of 500 provided the entertainment, with Mrs. Frank Haas, Mrs. Joseph Doone and Mrs. Louis Krueger winning high score prizes. The door prize went to Mrs. Harry Buckley.

Mrs. Frank Haas was presented with an attractive birthday gift from the club members. A delicious lunch was served, with Mrs. Jennie Belknap assisting the hostess.

On February 1 the club will gather at the home of Mrs. P. J. Callahan, English avenue.

## Degree Of Honor

Members of the Degree of Honor will assemble in the I. O. O. F. hall on Friday evening at 7:30 o'clock. A special practice will be held for all officers for the installation to be held on February 9.

## HADASSAH CHAPTER HEARS BOOK REVIEW

"The Cardinal," by Henry Morton Robinson was excellently reviewed Tuesday evening by Dr. Iwan J. Gruen of Temple Israel, at the pre-donor rally of the New Castle Chapter of Hadassah.

The rally held at Temple Israel opened at 8:15 o'clock with Mrs. Iwan J. Gruen giving the opening prayer.

"The Cardinal," the book reviewed, is a warm, appealing story of the trials and tribulations of a Catholic priest, depicting his life from early in the priesthood until he receives the "red hat" of the Cardinal.

Words of welcome greeted the assembly from president Mrs. Irving Nixon. In a most heartwarming manner, Mrs. Nixon spoke on each individual's effort and what it means to carry on the important work of Hadassah.

Mrs. Leonard Smith, H.M.O. chairman gave a splendid talk on H.M.O. and urged all to make this year's donor on March 11, a success. She also spoke on the campaign now in progress.

Mrs. Pierson Caplan program chairman presented a Geraldine Presciana, pianist. Miss Presciana delighted the audience with her renditions of the 14th Hungarian Rhapsody and the Waltz in D Flat by Chopin.

Announcement was made that the Study class will meet on February 6, at the residence of Mrs. Sam Bobick, of Meyer avenue at 2 p.m.

President Mrs. Nixon presided during the meeting and splendid reports were later heard from Mrs. Perry Frank, Mrs. L. Horlick and Mrs. Ed Buntman.

Dainty refreshments were later served on nicely appointed table with Mrs. Ted Marlin, hospitality chairman in charge.

## CHRYSLITE CLUB HAS NEW MEMBERS

Two new members were welcomed Tuesday evening at the Chryslerite club meeting in the Union Calabro club. They are, Mrs. Fred Gillett and Mrs. Frank Warga.

Hostesses were: Mrs. John Fuleno, Mrs. Anthony Fuleno and Mrs. Steve DeAugustine. They served a delicious lunch later in the evening on a table nicely arranged.

Mrs. A. J. Capezio received a gift for her new son, Robert A. Capezio. Later the birthday of Mrs. Anthony Fuleno was honored by her secret pal.

Cards were played high score prizes going to Mrs. James Fuleno, Mrs. Paul Domenick, Mrs. Fran Warga and Mrs. Steve DeAugustine.

February 8, is the next meeting, hostess to be Mrs. Dom Retort.

## NU PHI MUS ENJOY MOTHER GOOSE PARTY

A Mother Goose party was enjoyed by sorority members of Pennsylvania Tau chapter of Nu Phi. Tuesday evening in the Y.W.C.A. lounge.

Games were conducted by Mrs. Howard Frew and later a light lunch was served by Miss Lois Beard and Mrs. Frew.

The next meeting will be at the home of Mrs. Robert Capitola, 205 East Wallace avenue, on February 14.

## Service Star Legion

Members of the Service Star Legion 176 met Tuesday evening in the lounge of the Y. W. C. A.

In the absence of the president, the past president, Mrs. Edith Cline conducted the business session. Several plans were discussed for future activities.

The next meeting will be held February 13 in the lounge of the Y. W. C. A.

## MT. JACKSON CLUB INSPIRING PROGRAM

Longfellow once said that "music is the universal language of mankind." If he were alive today and had the musical program at the Mt. Jackson Woman's club Tuesday evening he would have seen his words come true.

Harold Henderson of North Beaver township and Donald Forsythe of New Galilee, accomplished musicians of the district, presented a scintillating program for the entertainment of the crowd that attended the "open" meeting of the club. Mr. Henderson, a graduate of Eastman School of Music, Rochester, N. Y., Juillard School of Music, and Columbia university, is minister of music at the First Presbyterian church of Beaver Falls and has presented church choir. He has presented several recitals in New York and the Beaver Valley. Both men are studying music at Geneva college at the present time.

Four lovely melodies, "Thinking of You," "Kountz," "Morning," "Speaks," "Nocturne," Curran; and "Hills of Home," Clark, were sung by Mr. Forsythe, accompanied by Mr. Henderson.

Mr. Henderson then thrilled the group with his presentation of "Etude in E Flat," Chopin; "Etude in A Flat," Chopin; and "Un Sospiro," Liszt.

Continuing with the program, Mr. Forsythe sang "Old Man River," "Without a Song," and two numbers from the popular musical "South Pacific," including "Younger Than Springtime" and "Some Enchanted Evening." As a brilliant climax to the program, Mr. Henderson played "Prelude in G Minor" and "Melodie," both by Rachmaninoff, and "Rhapsody in C Major," by Dohnanyi.

Ushers for the evening included Mrs. Sheets, Mrs. Hopper, Mrs. Shaffer, Mrs. Omar Duff, Mrs. Douglas and Mrs. Emery. Mrs. Clark Strawhecker and her aides served dainty refreshments to the group.

The next meeting of the club will be held in the Mt. Jackson church February 27. Mrs. Walter Hopper and Mrs. Harold Gwin are program chairmen for the evening, with Mrs. Ellis Allen heading the social committee.

## Old Time Rebekahs

Old Time Rebekahs were entertained by Mrs. Charles Gray, 720 Court street, at an enjoyable luncheon, with the hostess being assisted in serving by Mrs. Nellie Houk.

The business session was in charge of the new president, Mrs. Houk.

Games were the featured diversion, with Mrs. Nora James and Mrs. Sara McCormick winning the prizes.

The next meeting will be February 14 at the home of Mrs. Lulu Schermer, 223 North Scott street.

## Kumjoynus Class

Kumjoynus class of the First Methodist church met in the church dining room for a tureen dinner recently.

The following committee was in charge of the event: Mrs. Margaret McCormick, Mrs. Lillian Sloan and Mr. and Mrs. Floyd Kelly.

After a short business meeting the remainder of the evening was spent singing.

The next meeting will be held February 16 at the home of Mr. and Mrs. Cal Sloan, Covert road.

## 1919 CLUB FETES

### MISS BEVERLY WHITE

Miss Beverly White, a bride-elect of February, was honored at a surprise shower when members of the 1919 club met at the home of her grandmother, Mrs. Ralph White, Clemenmore boulevard, Tuesday evening. During the evening, several lovely gifts for a kitchen were presented to Miss White. A pink and white color scheme was carried out in the decorations.

Canasta was the diversion, with Mrs. Phoebe Seroka and Mrs. Ann Johnson winning prizes for high scores. A delicious lunch was served by the hostess, assisted by her daughter-in-law, Mrs. Harry Zimmerman.

The next meeting of the club will be held at the home of Mrs. Charles McClelland, Croton avenue, February 6.

## GIRL SCOUTS

### Scout Troop 17

Members of the Senior Girl Scout troop 17 met recently at the Walmo school, with Mrs. Mary Jane Weyandt and Miss Betty Reynolds as leaders.

The group continued their work in textile painting, each girl designing and cutting her own stencil for such articles as neckties, scarfs and aprons.

Due to the resignation of Deanna Schooley, Joan Bees was named as secretary. This evening several of the girls plan to attend work shop with the leaders. On Wednesday, Jan. 24, the group will have a bowling party in place of their meeting. The next regular meeting will be held January 30 at the Walmo school.

Girl Scouts of Troop 4 met Friday evening in the Rose avenue school. Nancy Ray, president, conducted business, with Joyce Williams giving the secretary's report.

Work was continued on the design badge, and the meeting closed with taps.

## To Ask Contempt Citations Against Big-Time Gamblers

WASHINGTON, Jan. 24.—(INS)—The Senate sends to the Justice Department today contempt citations against eight alleged big-time gamblers, strengthening the hand of the Kefauver crime committee.

The Senate voted contempt citations against the Kefauver committee witnesses who were reticent about their contacts after defeating, 59 to 12, a motion to refer them to the judiciary committee.

Named among the eight were Tony Accardo, reputed kingpin of the Capone interests in Chicago, and Joe Adonis, North New Jersey and New York gambler.

The vote was considered a victory for Sen. Kefauver (D) Tenn.

chairman of the crime-probing committee. Kefauver demanded swift action against the witnesses, who claimed constitutional right not to answer many of the questions, as a step to help insure the flow of information gathered by the committee.

## U.S. Jet Plane Crash Occurs In England

(BULLETIN)

MARGATE, Eng., Jan. 24.—(INS)—A U. S. Airforce F-84 Thunderjet crashed into a garden between two houses on the outskirts of Margate today, instantly killing the pilot.

Eyewitnesses said that the plane suddenly dipped and crashed, then burst into flames.

The plane was based at Manston airbase some 20 miles west of Margate.

The name of the pilot was not immediately available.

## Young Boys Are Charged With Arson

PHILADELPHIA, Jan. 24—(INS)—Two boys, 11 and 13 years old, were charged today with arson in a \$200,000 lumberyard fire in Philadelphia last Sunday.

In announcing the arrest of the youngsters, Fire Marshall George H. Kingston said the boys confessed that they tossed a lighted match into brush along the fence of the lumberyard.

Kingston said the youngsters were sent to the house of detention. He added: "In the future, in all fires started by juvenile arsonists we are going to prosecute."

Kingston said that "heretofore, we have been bringing the boys and their parents in and have just talked to them, but with little success."

The fire marshal said that last year in Philadelphia "we had fires set by young boys that caused a loss of more than \$750,000."

Kingston claimed further that 10 school fires were started in the past year by young boys. "The thing is becoming an increasing danger," he said, "and something must be done to stop it."

Arrests of the two youngsters came after the third lumberyard fire in two days caused damage estimated at more than \$25,000 at a Frankford Lumber Company.

Two new trucks and 20,000 square feet of lumber were destroyed in the latest blaze.

## Top Level Narcotics Distributors Taken In New York Raids

NEW YORK, Jan. 24—(INS)—District Attorney Frank S. Hogan announced on Tuesday that teams of federal and local raiders have seized 12 top level narcotics distributors who supplied thousands of small fry peddlers in the Broadway and Harlem districts.

The district attorney, who revealed that the raids were carried out between noon yesterday and midnight, was questioning the 12 men in an effort to root out the narcotics racket which has reached into the public schools. They will appear later today in felony court.

The roundup culminated the underground work of 40 detectives over a 10-month period, said Hogan who called an unusual news conference at midnight to announce the bag. Ten men previously had been arrested as a result of the undercover work.

## BRINGING UP FATHER

By GEORGE McMANUS

## THE FAMILY SCRAPBOOK

By DR. ERNEST G. OSBORNE

**Dads and War**

Once again fathers are having to leave their families for war service or other war-related jobs. And, once again, families face the problems that are connected with fathers being away.

Mrs. William Arnold expresses one common concern: "How are we going to avoid the trouble we had when Bill came back from the army last time? William, Jr., had forgotten all about his daddy. And it surely was tough on Bill to be treated as though he were a stranger."

Naturally, nothing can really take the place of a father. But there are ways of insuring against the sort of thing about which Mrs. Arnold is worried.

Bringing father into the everyday conversation is one of them. "Daddy would like that, wouldn't he?" "Do you remember when Daddy took us all to the zoo and we had big bags of popcorn?" These are ways that should surely help.

The kind of letters the absent father writes, too, are important. Accounts of some of the things he is doing, with pictures and small

mementos, will keep alive his memory.

Wherever possible, young children should continue to have friendly contacts with men, Uncles, neighbors and friends can help the young child continue to know what men talk about and how they behave and thus take the edge off the strangeness they might otherwise feel when Dad does return.

## Cane Passers Outscramble Wolves In Third Period For League Victory

Amid a melee of player confusion and over-zealous officiating, New Castle's floormen last night, scrambled out on top of Ellwood City at the Washington junior high gymnasium, 50-47.

Seemingly "fast" whistles in the early moments of play curbed a large part of both squads' initiative and resulted in several skirmishes.

Ray Latsko picked up four first period points, and John Nonoff three in less time, as the teams marched between the foul lines.

Bucker broke free for a layup shot and New Castle led 2-0. His free throw later was followed by Marshall's field goal, and the Wolverines then went scoreless for three full minutes. Bucker, Sansone, and McKay piled up a 7-2 lead and Carl Tammara entered the Ellwood lineup and to break loose on two dribbles for four points. Boak and Tammara tallied for their respective teams and

Burt Starr, Ellwood's leading scorer, tallied on a free throw, New Castle led at the quarter 13-11.

Starr tied the game in the second period with a deep one hand push shot, and Palumbo who had replaced Latsko drove in under for two. Smilek and Pia traded field goals, and Smilek and then Tammara alternated with field goals in running the Wolverines to the front for their biggest lead, 21-17.

John McKay and Bill Boak hit from out and Carl Tammara from deep just before intermission, and the Ellwood team walked off ahead at halftime 23-22.

The third period collapse, which has for some reason plagued Ellwood without exception in every league game, prevailed last night and the Hurricane broke loose for 25 third quarter field goal attempts and a total of 16 points. The subdued Ellwood team was kept within reaching distance by Burt Starr's accurate long distance shooting.

Palumbo Hits

Conrad Palumbo handed the Canes a lead with an early period goal. The tall junior also pushed New Castle in front at 26-25, and later at 35-27 in his third quarter campaign. The diminutive blond guard, John McKay continued his precision shooting and tallied as did Starr before the quarter's end.

The Canes led 38-29.

Tammara, Young, and Smilek, all hit in an early fourth quarter rush, and when Latsko tallied in mid-period, Starr retaliated and Tammara returned to tie the game at 42.

Starr potted his 15th point and sixth field goal to hand his team a lead with 2 minutes and 45 seconds remaining, but John McKay

Julius McCoy, leading section III scorer, suffered a severely sprained ankle last night at Sharon, as the Steelers bumped the Tigers, 45-39.

The brilliant negro star who was held to eight points by Sharon's sliding zone, fell to the floor in pain with but two minutes remaining. He had gone high in the air to block a shot taken by Walsh of Sharon.

McCoy will be out for at least one month.

cut the cords from inside the foul line to knot the game at 44.

McKay and Sansone both hit from out and the Canes led 48-44. McKay fouled out at 2:17.

Nocera contributed a foul and Starr a field goal before the clock ran out.

McKay Starts

John McKay, starting his first game, marked 43 field goals in 11 attempts, to lead Canes percentage shooting, and also Canes scorers.

Burt Starr, held without a shot from the field in the first period tallied 15 points, seven in the last stanza.

New Castle has now won three out of six in league play; Ellwood, two of six.

Nine Hurricane jayvees hit the scoring column last night in routing the Ellwood reserves, 68-30. Strehler, Cuba, and Taylor all marked up 10 points, and the squad as a whole, 25 in the fourth period.

Wampum, Bessemer and Shenango high school notched wins in Section 23 Tuesday night as the curtain came down on the first half of the league season.

Wampum easily kept its hold on first place when it downed New Wilmington 68-30 at Wampum. Bessemer kept right on the Indians' heels with a 45-40 win at Mt. Jackson and Shenango eked past Union 54-52 in two overtime periods.

New Wilmington kept close to Wampum for one quarter, but then succumbed to the Indians' superior forces to go down to its fourth loss. The win gave Wampum a 6-0 record for the first half of league play.

Bessemer came from behind in the fourth quarter to down Mt. Jackson 45-40. The Mounties held a 28-24 lead at half-time and 32-31 lead at the end of the third quarter. Phil DeArment was the big gun in the game for the Centemers with 20 points.

Two Overtime Periods

Union and Shenango battled it out for four regulation and two overtime periods before Shenango emerged the 54-52 winner at Shenango.

Bob Feil scored the winning bucket for the Wildcats in the sudden death second overtime period. Union came from behind in the fourth quarter to tie the game and go ahead, only to have Eddie Badger tie the score with two free throws as the regulation game ended.

In preliminary contests Wampum, Union and Bessemer were the winners. Henderson of Bessemer was leading scorer with 16 points, followed by Melfi and Brown of Wampum with 15.

## Buller Seeks Scoring Mark

(By International News Service)

Hy Buller, captain of the Cleveland Barons, will be aiming to set a new goal-scoring mark for defensemen in the American Hockey League in a game tonight with Hershey.

One of the circuit's outstanding backliners, Buller needs two goals to break the all-time league mark of 72 set by Eddie Bush, giant guard who is now retired.

Buller recently broke the league mark in total points for defensemen and now has 256 points for his all-time mark.

Hornets Vs. Mohawks

Cincinnati and Pittsburgh also clash tonight in the AHL's most important game. Cincinnati holds down second place in the Western Division but a victory for the Hornets would deadlock them with the Mohawks for the runnerup spot.

Buffalo, pace setters in the east, play host to Providence and Springfield goes to St. Louis in other games.

Pittsburgh coasted to an 8-3 victory over Providence last night while Springfield and Cincinnati battled to a 3-3 tie.

Although William and Mary defeated Furman, 65-37, the score was tied six times in the first half of the Southern conference basketball game!

**SMOKEY ROBINSON**, bantamweight of Oil City, developed by Eddie Flick, formerly in Bob Lester's stable, has drifted from the game. The last heard of him in action was in Buffalo. He boxed Frankie Moran several times here. . . Several people would like to know the whereabouts of Babe Picato, last heard of in Los Angeles vicinity. He was a fairly good puncher and a nice boxer. However, he missed out in "shots" against Matt Brock in Erie, where he was handled by Chauncey Davis and against George K. O. Chaney in Philadelphia, where the late Jimmie Dime handled Babe. . . Dude Moore, who had a heart attack, is now allowed downstairs once a day. . . George Barrett, retired mail man, years for sunshine, so he can loil along the Shenango and other creeks, angling. . . So far, nothing has been heard from State Fish Commission Sportsman's association concerning the request of the Lawrence County Sportsman's association to have wall-eyes stocked in the Big Neshannock creek. . . Displayed at the State Fair show, held recently in Harrisburg, was a special animal hospital, with a separate maternity section with all the modern veterinary facilities. . . According to the Wall Street Journal men and women paid 844 million dollars in barber shops and beauty parlors last year, which may, in part, explain why many tonsorialists and beauticians can vacation in Florida. . . Answer to query: Mog Pugh, featherweight, who boxed here, is dead. He came to America from Pontypridd, Wales. Two of his closest local friends were George Anthony and the late Harry Evans, both of whom are well known in local song circles.

## Washington Tops Farrell, Franklin Defeats Mahoning

George Washington junior high school climbed into a tie for first place in Section 16 WPAL Tuesday afternoon by defeating Farrell junior high 37-23 on the George Washington floor.

The Little Presidents got off to an early lead and held it throughout the game. The game was close, however, until midway in the fourth quarter when Washington pulled away.

Benjamin Franklin kept within shooting distance of the league leaders as it defeated Mahoning 42-30 on the Franklin floor.

Sharon went into a tie for first place with Washington and Farrell by way of its 41-22 win over Union at Union. The Little Tigers had little trouble with the Scotties and held a 24-9 lead at half-time.

## Schedule Hearing Today In Basketball "Bribing"

NEW YORK, Jan. 24.—(INS)—

The alleged conspirators in the Manhattan college basketball "fix" scandal were scheduled for a hearing in Bronx magistrate's court today. Police searched meanwhile for two more suspects and a former local college player wanted for questioning.

Co-captains Henry Poppe and Jack Byrnes of last year's Manhattan team and alleged gamblers Cornelius Kelleher and Irving Benjamin Schwartzberg were to appear to answer charges of conspiracy and bribery.

The men were arrested last Wednesday after an abortive attempt to fix the Manhattan-DePaul game at Madison Square Garden. Poppe and Byrnes according to police, have admitted accepting \$5,000 to "throw" games last season.

**Seek "Big Joe"**

Assistant District Attorney Edward Breslin has said, however, that Byrnes had nothing to do with last Tuesday's bribe attempt made on Manhattan center Junius Kellogg.

Breslin, who turned over evidence in the case to the grand jury yesterday, said his office is conducting a search for a "guy named Big Joe," who is supposed to be the king

## Baseball Men Given Warning

### Draft Deferments Not Too Lenient

WASHINGTON, Jan. 24.—(INS)—Baseball and other sports were warned today to get ready for more draft deferments than affected them in World War II.

Defense Secretary Marshall issued the warning when he told a congressional committee that many athletes who were 4-F in World War II probably will be inducted under new draft regulations.

**Lower Requirements**  
Marshall, testifying during a public hearing on the administration's manpower legislation, told Rep. Elston (R) Ohio, that physical requirements of the armed forces are being lowered.

The Ohio congressman raised the question of deferments for athletes by commenting that during World War II many sports stars declared 4-F continued to participate in baseball and other forms of athletics.

Marshall promised that such won't be the case this time. He said it was contemplated these men will be taken for limited military duty under the reduced physical standards now being drafted by the armed forces.

## Lehner-Robinson Signed By Macks

PHILADELPHIA, Jan. 24.—(INS)—Paul (Little Poison) Lehner, top hitter for the last place Athletics in 1950 with a mark of .309, has signed his contract for the coming season.

Lehner, one of the few cheerful features of the cellar-dwelling A's in 1950, came to the club as "excess baggage" in the \$100,000 deal with the St. Louis Browns for third baseman Bob Dillinger.

Also accepting terms with the A's was 23-year-old Frank Robinson, a promising right-handed pitcher who won nine games against seven losses with Savannah last season.

The second was that pitcher Ery Palica had been accepted for military service. The 23-year-old right-hander passed his second extended draft physical yesterday. He had been in an "undetermined" status because of high blood pressure.

## Campanella Signs, Palica Is Drafted

NEW YORK, Jan. 24.—(INS)—Brooklyn's pennant chances seemed up and down today on a couple of pertinent facts.

The first was that catcher Roy Campanella had signed his 1951 contract for an estimated \$20,000. The second was that pitcher Ery Palica had been accepted for military service. The 23-year-old right-hander passed his second extended draft physical yesterday. He had been in an "undetermined" status because of high blood pressure.

Statistics released yesterday, included Monday night's conference tilts, showed Sunderlage has 114 points in six games.

Ray Ragels of Northwestern leads the loop in average scoring with 102 points in five games, or 20.4 points a contest.

## Indians Sell Benton To Sacramento Club

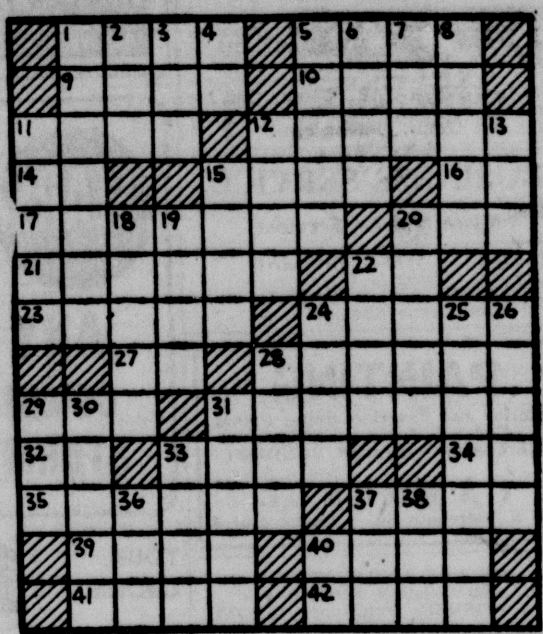

CLEVELAND, Jan. 24.—(INS)—Relief pitcher Al Benton was sold today by the Cleveland Indians to Sacramento of the Pacific Coast League.

He won 4 and lost 2 last season, pitched 63 innings and had an earned run average of 3.57.

In his first year of service as district attorney of Lawrence County, Sherman K. Levine had 391 cases in addition to 102 cases of desertion and non-support. The total criminal cases outside of desertion and non-support was 387. In a breakdown of the case list, prepared by Mr. Levine's office, the following is for 1950. Drunken driving, 112; burglary, robbery and larceny, 53; hit and run, and driving during period of suspension of license, 38; morals cases, 32; racket cases, 40; murder, 1; arson, 1; narcotics violations, 1; forgery and worthless checks, 13; aggravated assault and battery and assault and battery, 19; uniform firearms act violations, 8; forfeiture of gambling equipment, 9; cases nolle prossed for insufficient evidence, 8; not true bills found by grand jury, 10. Miscellaneous cases and appeals from convictions in aldermen and justice of peace officers, 37; extradition cases, 4; desertion and non-support cases, 102. Active desertion and non-support cases as of January 1, 1951, 796. Most of the cases brought by the district attorney's office pleaded guilty or nolle contendere. Of the cases that went to trial only four resulted in not guilty verdicts.

**PENSION COUNTIES**  
In a state publication just issued it is shown that of the 67 counties of the state, 25 have pension or retirement plans for employees. Of the 25 Allegheny County is the oldest system, having been put into effect in 1915. Potter County is the smallest county in the ones having retirement systems. Over the state there are 969 former employees or officials drawing retirement pay. The retirement system in Lawrence County covers 95 employees and officials.

WASHINGTON, Jan. 24.—(INS.) Aluminum Producer Richard Reynolds Jr. charged Tuesday the Aluminum Company of Canada "has been shipping aluminum continu-

ously" to Red China since the outbreak of the Korean war. Testifying before the House Anti-Monopoly subcommittee, Reynolds asserted: "As recently as October, 1950, it shipped 3,613,400 pounds to Czechoslovakia and Poland. "Shipments have been made to Red China, as well as Poland and Czechoslovakia. During the first 10 months of 1950 these shipments totaled 11,217,000 pounds."
